This is a book that teaches women to see themselves as perfect just the way they are; to resist society's insistence that they seek value, wholeness, and love through something outside themselves, such as a husband, children, boyfriend, career, or a spiritual path. Author HeatherAsh Amara has a message for women struggling to find themselves under these false ideals: If you don't love and honor yourself with every fiber of your being, if you struggle with owning your power and passion, then it is time for an inner revolution! It is time to claim your Warrior Goddess energy. Amara challenges women to be "warrior goddesses;" to be a woman who: Ventures out to find herself Combats fear and doubt Reclaims her power and vibrancy Demonstrates her strength of compassion and fierce love Drawing on the wisdom from Buddhism, Toltec wisdom, and ancient earth-based goddess spirituality, Amara, combines them all with the goal of helping women become empowered, authentic, and free. Also included here are personal stories, rituals, and exercises that encourage readers to begin their own journey towards becoming warrior goddesses. This is an essential tool for women interested in self-empowerment and wholeness.
