‘A Khushwant Singh short story is not flamboyant but modest, restrained, well-crafted...Perhaps his greatest gift as a writer is a wonderful particularity of description’—London Magazine Khushwant Singh first established his reputation as a writer through the short story. His stories—wry, poignant, erotic and, above all, human—bear testimony to Khushwant Singh’s remarkable range and his ability to create an unforgettable PBI - World. Spanning over half a century, this volume contains all the short stories Khushwant Singh has ever written, including the delightfully tongue-in-cheek ‘The Maharani of Chootiapuram’, written in 2008. ‘Khushwant’s stories enthrall...[He has]an ability akin to that of Somerset Maugham...the ability to entertain intelligently’—PBI - India Today ‘His stories are better than [those of] any PBI - Indian writing in English—Times of PBI - India ‘The Collected Short Stories leaves the reader in a delightful, inebriated trance’—Sunday Chronicle ‘He is not an ordinary short story writer...[Collected Stories] is delightful reading’—Hindustan Times

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

The interaction between the global and the local has inspired inquiry into the multifarious manifestations of English nowadays, stimulating scholarly research into its diverse linguistic, cultural, and pedagogical landscapes. Drawing together various strands of the 'Global English' debate, the papers in this book question and expand on the interaction between Global English and local contexts in the Alpine-Adriatic region, and examine the complexities from different, yet complementary, perspectives: the cultural, the methodological (ELT), the translational, and the linguistic.
