creating a format for prayer and retreat • 15 meditation sessions with focus points and reflection guides This volume, 15 Days of Prayer With Saint Elizabeth Ann Seton, introduces readers to the "first American-born saint" and leads them to a place of peace and prayer that reflects the spirituality of Saint Elizabeth. Follow in the footsteps of Saint Elizabeth Ann Seton Elizabeth Bayley was born of a well-to-do family in 1774 and baptized in the Episcopal Church. After the death of her husband, William Magee Seton and her subsequent conversion to Catholicism, Elizabeth was no longer accepted in her previous social and family circles, leaving her a poor widow with five young children. At the invitation of Bishop Carroll, Elizabeth relocated her family to Baltimore, where she founded a school. She was soon joined by other women and formed the Daughters of Charity of Saint Joseph, serving as the first superior of that order. By the time of her death in 1821, Mother Seton's community had established schools and orphanages in North America, South America and Italy. Saint Elizabeth Ann Seton was canonized by Pope Paul VI in 1975. Serve God always Knowing wealth but no stranger to poverty, devoted spouse and mother, committed religious, generous heart—Saint Elizabeth Ann Seton has become a model of sanctity to people in all walks of life in America and throughout the world.

Henri Nouwen (1932-1996) is considered one of the greatest spiritual masters of the modern age. Born, educated and ordained in Holland, he came to America as a professor of pastoral theology. Invited by Jean Vanier to join his mission to help the handicapped, Nouwen left academia behind to become pastor of L'Arche Daybreak, a home for the disabled in Toronto. There, among God's wounded, he found a home and his greatest happiness. A heart attack cut short his rich life as writer, lecturer and priest. Nouwen drew standing room only audiences, who flocked to hear his message that we are God's beloved children, that God is the One of unconditional love who loves us now, with no strings attached. His many books are arrows pointing towards this love, reminding Christians of the timeless message that Christ came into the world not to blame but to love.

These selections, taken from the diary that her spiritual director encouraged her to keep, relate St Faustina Kowalska's mystical experiences, and convey the spirituality she drew from love for the Eucharist and reinforced through trust in the love of God.

He is now a parish priest in the Diocese of Saint-Jean-Longueuil (Canada), and a sponsor for the Week-end Amoureux (pastoral care for couples). Blessed Frederic Ozanam is best known for founding the Conference of Charity which became the Society of Saint Vincent de Paul. His dream was to encircle the globe in a network of charity, and the Society continues to live by this mission, maintaining active memberships across five continents. 15 Days of Prayer with Blessed Frederic marks the 200th anniversary of Ozanam's birth. Christian Verheyde selects writings that reflect the breadth of Ozanam's interests, including his love for his family; his desire to proclaim the faith authentically; and his desire to reconcile science and religion, wealth and poverty, and believers and unbelievers. Following the format of the bestselling 15 Days of Prayer series, each meditation includes reflection questions the perfect means of attending to Ozanam's insistence that faith be put into action.

"Eugene de Mazenod, the founder of the Missionary Oblates of Mary Immaculate, is not very widely known, despite being canonized as saint in 1995. More unfortunate still is the fact that his rich spirituality, which takes Christ's preferential option for the poor as its centerpiece, suffers that same anonymity... In this book, Bernard Dullier selects for us the major transformative moments from the life of Eugene de Mazenod and key texts from his writings to invite us into a deeper vision of discipleship and service. And he is a master: Bernard Dullier is one of the deepest, most respected minds in our congregation, there is a deserved aura always when he speaks and he blends his sharp intellect with a deep love for his fellow-countryman, Eugene de Mazenod, with whom he shares the same fiery temperament, along with an equally fiery passion for ministering to the poor. Only a fellow-countryman could so capture the soul of Eugene de Mazenod. As a fellow-missionary under the charism of Eugene de Mazenod, I am deeply grateful for this book. It wonderfully honors our founder and more importantly, is an exceptional selection of biographical notes and autobiographical texts that capture the very essence of the rich charism that was left to the Oblates and to the world through the person and writings of St. Eugene de Mazenod." From the Foreword by Ronald Rolheiser

creating a format for prayer and retreat • 15 meditation sessions with focus points and reflection guides This volume, 15 Days of Prayer With Charles de Foucauld, will lead you, over a period of fifteen prayer sessions, to a place of prayer where a stronger relationship with God is possible. Follow the footsteps of Charles de Foucauld. From spoiled child to hero of God, the life of Charles de Foucauld is a model of how Christ's love can transform a person's soul. A rebellious child, Charles de Foucauld became a wild, pleasure-loving soldier in the French Army. But at 28, he experienced a spiritual transformation, rediscovering the Catholic faith of his childhood and accepting an "apostolate of goodness." Charles left the life of a soldier for missionary work and believed that to love is the most powerful way to be loved. Serve the poor. A hermit who preferred the silence of solitude, Charles became a respected missionary in the remote Sahara concerned deeply about universal salvation. Believing that Christ did not come to earth primarily to teach but to share the human lot, Charles lived among those who were "furthest from God" and most rejected by men, sharing their lives and their hardships. In 1916, during an anti-French uprising, Charles was assassinated. Now Charles de Foucauld is remembered as not only a martyr for the France he loved but also for the God he adored. Enjoy your time with Charles de Foucauld and be prepared to be surprised as you journey with one of the most engaging spiritual figures of our time.

His monastic reforms emphasized mystical prayer as the foundation of daily observance, bringing the Cistercian order into a position of unprecedented expansion and renown. He fought successfully for acceptance of Innocent II after a disputed papal election and aggressively countered theological heterodoxy within the Church. Bernard was also a great champion of the Second Crusade and obtained recognition for the Knights Templar as a dedicated order of Christian warriors. Stand fast in the Gospel Saint Bernard's most enduring contribution to the Christian Faith is his body of writings, including his letters, homilies and a variety of theological studies. Perhaps his best-loved works are his collections of sermons, including Homilies in Praise of the Blessed Virgin and Sermons for the Seasons of the Year, which reveal Bernard as an experienced guide for your spiritual journey and resolve the paradox of his varied life: secluded monk and Church leader, man of peace and man of the sword, humble servant and bold reformer—always a dedicated preacher and champion of the Gospel. Let Saint Bernard accompany you on the path to spiritual renewal in Christ.

This book is based on the life of Chiara Luce Badano, who was beatified on Sept. 25, 2010 in the presence of 12,000 young people. The 15 days are a journey to help us grow in love and faith, and appreciate the indescribable joy of being among those whose faith is not in vain, because they are witnesses that Christ is truly risen.
