Why does truth matter? Why can greedy and deceitful leaders still manipulate us? What motivates people to turn away from unethical leaders? Governance, commerce and exclusive beliefs still dominate society. Time changes the context; yet not the struggle. Pilgrims Passage: Darkness to Light is a riveting story of how committed leaders boldly move from a dark, greed-filled maze to a lighted pathway. Today this timeless story continues to ring true and the message is even more urgent. Stories merge from Pilgrims Passage: into a New Millennium and Pilgrims Passage: Rebuilding the Past when Claudia and Paul witness the transformation of Karl, Nina, James and Karen. They battle with the leaders of the Black Star Pact: Alexis, Benet and Roberto. Both have their loses, but what cause advances?
