Offers advice for prospective buyers of cars and trucks, reveals information on secret warranties and confidential service bulletins, and tells how to complain and get results.

Canada's automotive 'Dr. Phil' says there's never been a better time to buy a new car or truck, thanks to a stronger Canadian dollar, a worldwide recession driving prices downward, and a more competitive Japanese auto industry that's still reeling from a series of natural disasters.

A pastor of 30 years learns how powerful the Gospel can touch one life at a time and how much one soul is worth to God. (Christianity)

Introduces the millennial generation and the social issues they face, including education issues, generational stereotyping, and how they will impact the future.

The Emily Post Institute, the most trusted brand in etiquette, tackles the latest issues regarding how we interact along with classic etiquette and manners advice in this updated and gorgeously packaged edition. Today's world is in a state of constant change. But one thing remains year after year: the necessity for good etiquette. This 19th edition of Emily Post's Etiquette offers insight and wisdom on a variety of new topics and fresh advice on classic conundrums, including: Social media Living with neighbors Networking and job seeking Office issues Sports and recreation Entertaining at home and celebrations Weddings Invitations Loss, grieving, and condolences Table manners While they offer useful information on the practical—from table settings and introductions to thank-you notes and condolences—the Posts make it clear why good etiquette matters. Etiquette is a sensitive awareness of the feelings of others, they remind us. Ultimately, being considerate, respectful, and honest is what's really important in building positive relationships. "Please" and "thank you" do go a long way, and whether it's a handshake, a hug, or a friend request, it's the underlying sincerity and good intentions behind any action that matter most.

"This book underscores what we have long known—Gurganus stands among the best writers of our time." —Ann Patchett Through memorable language and bawdy humor, Gurganus returns to his mythological Falls, North Carolina, home of Widow. This first work in a decade offers three novellas mirroring today's face-lifted South, a zone revolutionized around freer sexuality, looser family ties, and superior telecommunications, yet it celebrates those locals who have chosen to stay local. In doing so, Local Souls uncovers certain old habits—adultery, incest, obsession—still very much alive in our New South, a "Winesburg, Ohio" with high-speed Internet. Wells Tower says of Gurganus, "No living writer knows more about how humans matter to each other." Such ties of love produce hilarious, if wrenching, complications: "Fear Not" gives us a banker's daughter seeking the child she was forced to surrender when barely fifteen, only to find an adult rescuer she might have invented. In "Saints Have Mothers," a beloved high school valedictorian disappears during a trip to Africa, granting her ambitious mother a postponed fame that turns against her. And in a dramatic "Decoy," the doctor-patient friendship between two married men breaks toward desire just as a biblical flood shatters their neighborhood and rearranges their fates. Gurganus finds fresh paths in ancient tensions: between marriage and Eros, parenthood and personal fulfillment. He writes about erotic hunger and social embarrassment with Twain's knife-edged glee. By loving Falls, Gurganus dramatizes the passing of Hawthorne's small-town nation into those Twitter-nourished lives we now expect and relish. Four decades ago, John Cheever pronounced Allan Gurganus "the most technically gifted and morally responsive writer of his generation." Local Souls confirms Cheever's prescient faith. It deepens the luster of Gurganus's reputation for compassion and laughter. His black comedy leaves us with lasting affection for his characters and the aching aftermath of human consequences. Here is a universal work about a village.

Black Hawk, so named after the sacred medicine bag he carried with him, was a warrior and a leader of a tribe of Sauk Native Americans in the American Midwest circa 1800. He rose to leadership during a tumultuous time for his people, as they were pressed on all sides by the warlike British, the ruthlessly expansionist Americans, and the grudges and jealousies of neighboring tribes. He lived as a warrior for much of his early life, when the War of 1812 between the British and the Americans forced the Sauk to take sides and enter the fray. Angered by the Americans' demands they sign shaky treaties to cede their land, the tribe fought for the British until the toll of the war forced the tribe to bow out. After the war, Black Hawk signed a peace treaty with the Americans, but a series of misunderstandings once again brought tensions between the Sauk and the Americans to a head. When a group of under-trained Illinois militia mistakenly opened fire on the Sauk, Black Hawk began what is known as the Black Hawk War, leading raids against American forts and settlements in an effort to reclaim their ancient land. Even though Black Hawk managed to convince other tribes to join his cause, the war was quickly lost and Black Hawk captured. He was then taken on a tour of the vast East Coast cities in an attempt to impress upon him America's overwhelming might. Despite his status as a former enemy, he was treated with dignity and respect by his captors before they granted him a small house and plot of land in Iowa to live out the rest of his days. His autobiography was dictated to a translator, Antoine Le Clair, and written down by his amanuensis and publisher, J. B. Patterson. The story Black Hawk tells is a vivid one of life on the prairie, rich with tradition and meaning, but riven equally by war and bloodshed. As he reminisces about the bucolic life he and his ancestors once led and compares it with the hardships his people are facing, his sorrow becomes palpable, and as his days draw to a close, the reader sees that even to Black Hawk, the fate of his people appears inevitable. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Lemon-Aid New and Used Cars and Trucks 1990-2015 steers the confused and anxious buyer through the purchase of new and used vehicles unlike any other car-and-truck book on the market. "Dr. Phil," Canada's best-known automotive expert for more than 42 years, pulls no punches.
