"This practical guide is ideal both for teaching future members of the profession about their ethical responsibilities and for reinforcing ethical competence among current professionals. We strongly recommend this book." Jeffrey E. Barnett, PsyD, ABPP W. Brad Johnson, PhD Loyola University Maryland United States Naval Academy Coauthors, Ethics Desk Reference for Counselors, 2nd Edition "Herlihy and Corey's text boosts the reader's ethical understanding leaps and bounds above mere reading of the ACA Code of Ethics. With multifaceted case study examples and an integrated approach to tackling ethical dilemmas, this book is a must-read for students, counselors, counselor educators, and supervisors." Shannon Hodges, PhD Michael Knight Niagara University Graduate Student, Niagara University ACA Ethics Revision Task Force Member The seventh edition of this top-selling text provides a comprehensive resource for understanding the 2014 ACA Code of Ethics and applying its principles to daily practice. Each individual standard of the Code is presented with an explanatory case vignette, and a Study and Discussion Guide is provided at the beginning of each major section of the Code to stimulate thought and discussion. Common ethical concerns, with instructive case studies, are then explored in individual chapters. Topics addressed include client rights and informed consent, social justice and counseling across cultures, confidentiality, counselor competence, working with minor clients, managing boundaries, client harm to self or others, counselor training and supervision, research and publication, and the intersection of ethics and law. Chapters new to this edition examine managing value conflicts and the issues surrounding new technology, social media, and online counseling. The Casebook also contains an Inventory of Attitudes and Beliefs About Ethical Issues to assist counselors in developing a personal ethical stance. \*Requests for digital versions from the ACA can be found on wiley.com. \*To request print copies, please visit the ACA website here. \*Reproduction requests for material from books published by ACA should be directed to permissions@counseling.org.

The second edition of this highly practical and easily understood handbook provides counselors and students with the means to quickly apply the 2014 ACA Code of Ethics to practice and to professional roles and activities. It contains on-point recommendations for each standard of the Code, a decision-making model, and a listing of ethics resources. Part I presents each section of the Code, along with a brief commentary that emphasizes its most essential elements, common ethical dilemmas and problems relevant to that section, and specific strategies for risk prevention and positive practice. Part II contains ethical guidance sections focused on areas that counselors often encounter in their work, including culture and diversity, confidentiality and exceptions to confidentiality, counseling suicidal clients, multiple relationships in counseling, competence, supervision, managed care, termination and abandonment, and how to respond to an ethics complaint or malpractice suit. New to this edition is a section titled "Integrating Technology into Counseling Practice." \*Requests for digital versions from the ACA can be found on wiley.com. \*To request print copies, please visit the ACA website here. \*Reproduction requests for material from books published by ACA should be directed to permissions@counseling.org.

Each chapter in The Counselor and the Law has been updated to reflect changes in the 2014 ACA Code of Ethics, findings of recent court cases, and new federal and state legislation. Attorney Nancy Wheeler and Burt Bertram, a private practitioner and counselor educator, provide a comprehensive overview of the law as it pertains to counseling practice; an in-depth look at counselors' legal and ethical responsibilities; and an array of risk management strategies. This edition contains a thoroughly updated chapter on distance counseling, technology, and social media; regulatory updates to the HIPAA and the HITECH Act; and recent case law developments regarding legal risks for counselor educators. The issues surrounding civil malpractice liability, licensure board complaints, confidentiality, duty to warn, suicide and threats of harm to self, professional boundaries, records and documentation, and managing a counseling practice are also addressed in detail. \*Requests for digital versions from the ACA can be found on wiley.com. \*To request print copies, please visit the ACA website here. \*Reproduction requests for material from books published by ACA should be directed to permissions@counseling.org.

Self-care is critical for effective and ethical counseling practice and this inspirational book offers diverse, realistic perspectives on how to achieve work-life balance and personal wellness from graduate school through retirement. In addition to the authors' unique perspectives as professionals at different stages of their careers, guest contributors—ranging from graduate students, to new professionals, to seasoned counselors—share their experiences and thoughts about self-care, including what challenges them most. Both personal and conversational in tone, this book will help you to create your own practical self-care action plan through reflection on important issues, such as managing stress, establishing personal and professional boundaries, enhancing relationships, and finding meaning in life.

Ethical practice is an essential aspect of counselor training. In order for counselors to competently work with clients, they must be well versed in ethical codes, ethical decision making, and legal issues impacting the profession. Ethical Decision Making for the 21st Century Counselor provides the fundamentals of ethical practice, with emphasis on ethical decision making and is structured to facilitate the development of these skills. Authors Donna S. Sheperis, Stacy L. Henning, and Michael M. Kocet move the reader through a developmental process of understanding and applying ethical decision making. Individuals will be able to incorporate ethical practice into their understanding of the counseling process and integrate ethical decision making models into their counseling practice. This unique approach differs from existing texts because of its strong emphasis on practical decision making and focus on understanding the process of applying a standard ethical decision model to any ethical scenario. Students build a foundation in how to evaluate an ethical situation and feel confident that they have applied a set of decision models to reach the best decision.

Focuses on the nuances of ethical and legal standards across disciplines Completely revised and updated to reflect the new 2014 ACA Code of Ethics and current ethics codes in psychology, social work, and marriage and family therapy. This unparalleled text guides helping professionals in the use of ethical decision-making processes as the foundation for ethical approaches to counseling and psychotherapy. The book focuses on ethical and legal challenges and standards across multiple professions emphasizing counseling, and including the professions of psychology, social work, and marriage and family therapy. It not only identifies relevant ethical issues in clinical mental health, rehabilitation, group, school, addictions counseling, and career counseling, it also addresses couple and family therapy, clinical supervision, and forensics. The text illuminates the particular application of ethical standards within each specialty. The book features five new sections that clearly define how ethical standards are interpreted and applied: Privacy, Confidentiality, and Privileged Communication; Informed Consent; Roles and Relationships with Clients; Professional Responsibility; and Counselor Competency. Under the umbrella of each broad topic, the particular nuances of ethical standards within each specialty are analyzed to facilitate comparison across all specialties and settings. The text also addresses current issues in office and administrative practices, technology, and forensic practice that are crucial to school, clinical, and private practice settings. Compelling case studies illustrate the connection between ethical decision-making models and ethical practice. Learning objectives, a comprehensive review of scholarly literature, and a robust ancillary package for educators contribute to the fourth edition's value for use in upper-level undergraduate and graduate classrooms. New to the Fourth Edition: Comprehensive reorganization and reconceptualization of content Reflects new 2014 ACA Code of Ethics Includes five new chapters on Privacy, Confidentiality, and Privileged Communication; Informed Consent; Roles and Relationships with Clients; Professional Responsibility; and Counselor Competency. Emphasizes specialty practice organized by professional standards Facilitates comparison of standards across disciplines Addresses new issues in office, administrative, technology, and forensic practice Key Features: Delivers an unequaled overview of ethical decision-making in counseling and psychotherapy Defines how ethical standards are interpreted and applied in specialty practice Describes how to avoid, address, and solve serious ethical and legal dilemmas Includes learning objectives, case studies, and scholarly literature reviews Offers robust ancillary package with Instructor's Manual, Test Bank, and Power Point Slides

Pamphlet is a succinct statement of the ethical obligations and duties of individuals who enter the nursing profession, the profession's nonnegotiable ethical standard, and an expression of nursing's own understanding of its commitment to society. Provides a framework for nurses to use in ethical analysis and decision-making.

In this book, Drs. Ratts and Pedersen combine the very best from the multicultural and social justice traditions into a new paradigm, which will guide counselors toward a deeper understanding of the connections between these two counseling forces. Significantly updated and expanded from the previous edition, this fourth edition focuses on applying multiculturalism and social justice in various clinical settings with diverse client populations. A completely new applications section contains nine chapters on working with oppressed client groups, including African Americans; Asian and Pacific Islanders; Latin@; multiracial individuals; Native Americans; lesbian, gay, bisexual, and questioning clients; transgender individuals; women; and socioeconomically disadvantaged clients. Clients experiencing religious and spiritual concerns are discussed as well. Each of the chapters in this section provides an illustrative case study and numerous counseling examples. \*Requests for digital versions from the ACA can be found on wiley.com. \*To request print copies, please visit the ACA website here. \*Reproduction requests for material from books published by ACA should be directed to permissions@counseling.org.

This book provides insight into the primary issues faced by older adults; the services and benefits available to them; and the knowledge base, techniques, and skills necessary to work effectively in a therapeutic relationship. Dr. Kampfe offers empirically and anecdotally based strategies and interventions for dealing with clients' personal concerns and describes ways counselors can advocate for older people on a systemic level. Individual and group exercises are incorporated throughout the book to enhance its practicality. Topics covered include an overview of population demographics and characteristics; counseling considerations and empowering older clients; successful aging; mental health and wellness; common medical conditions; multiple losses and transitions; financial concerns; elder abuse; veterans' issues; sensory loss; changing family dynamics; managing Social Security and Medicare; working after retirement age; retirement transitions, losses, and gains; residential options; and death and dying. \*Requests for digital versions from the ACA can be found on wiley.com. \*To request print copies, please visit the ACA website here. \*Reproduction requests for material from books published by ACA should be directed to permissions@counseling.org.
