Supplement your social studies curriculum with 180 days of daily practice! This essential classroom resource provides teachers with weekly social studies units that build students' content-area literacy, and are easy to incorporate into the classroom. Students will analyze primary sources, answer text-dependent questions, and improve their grade-level social studies knowledge. Each week covers a particular topic within one of the four social studies disciplines: history, economics, civics, and geography. Aligned to the National Council for the Social Studies (NCSS) and state standards, this social studies workbook includes digital materials.

Winding through purple mountains majesties and amber waves of grain, the standards-based Spectrum Geography: Regions of the U.S.A. for grade 4 guides your child's understanding of maps, regions, canals, tributaries, and more using colorful illustrations and informational text. --Spectrum Geography is an engaging geography resource that goes beyond land formations and maps—it opens up children's perspectives through local, national, and global adventures without leaving their seats.

Supplement your social studies curriculum with 180 days of daily geography practice! This essential classroom resource provides teachers with weekly geography units that build students' geography knowledge, and are easy to incorporate into the classroom. In a world that is becoming more connected and globalized, 21st century students must have the skills necessary to understand their world and how geography affects them and others. Students will develop their map and spatial skills, learn how to answer text- and photo-dependent questions, and study the 5 themes of geography. Each week covers a particular topic and introduces students to a new place or type of map. The first two weeks consist of a mini-unit that focuses entirely on map skills. For additional units, students will study various places, and how culture and geography are related. With a focus on US states, students will explore various types of
