A Fistful of Charms is the fourth book in The Hollows series by Kim Harrison. While I love this series, this particular novel was not my favorite. When Jenks shows up in panic, because Jax is missing after leaving with Nick, Rachel puts things in motion to save both of them - even if Nick never called her back or truly broke up with her.

the wrath of a vengeful demon, Rachel must nevertheless act quickly. For the pack is gathering for the first time in millennia to ravage and to rule. And suddenly more than Rachel's soul is at stake.

From New York Times best-selling author, Kim Harrison, comes the fourth book in her brilliant series, *The Hollows*; packed with vampires, werewolves and witches - don't miss out on this sexy urban fantasy.

The author of the bestselling *Dead Witch Walking* makes her hardcover debut with this spellbinding new supernatural adventure featuring the highly original Rachel Morgan. Things are going well for Rachel Morgan, witch, independent runner, and one-third of the runner service *Vampiric Charms*. She's got a business, friends, even a semi-regular--and always-sexy-boyfriend. So what if Kisten is a vampire? So's her roommate Ivy.... But an unexpected call for help sends her out of Cincinnati on a desperate trip to rescue the son of her business partner Jenks. It's fun at first, even with dealing with a human-sized Jenks (you cannot believe how much trouble a 6-foot pixy can cause, especially when he looks like a supermodel...), but the road trip quickly turns dangerous when confronting an old love becomes a fight for survival. For seeing Nick Sparagmos again is the least of Rachel's problems--the ancient, mystical statue he has stolen holds the key to sinister, wild magic that can change humans into Weres. And for the first time in millennia, the Were packs are banding together to overthrow human and Inderlander alike. The fight that follows will shake Rachel's very soul...and she will never be the same.

In *Every Which Way But Dead*, witch and former bounty hunter Rachel Morgan's managed to escape her corrupt company, survive living with a vampire, start her own runner service, and face down a vampire master. But her vampire roommate Ivy is off the wagon, her human boyfriend Nick is out of town indefinitely and doesn't sound like he's coming back while the far-too-seductive vampire Kisten is looking way too tempting, and there's a turf war erupting in Cincinnati's underworld. And there's a greater evil still. To put the vampire master behind bars and save her family, Rachel made a desperate bargain and now there's hell to pay--literally. For if Rachel cannot stop him, the archdemon Algaliarept will pull her into the sorcerous ever-after to forfeit her soul as his slave. Forever.

The first book in #1 New York Times bestselling author Kim Harrison's *Hollows* series! All the creatures of the night gather in "the Hollows" of Cincinnati, to hide, to prowl, to party . . . and to feed. Vampires rule the darkness in a predator-eat-predator world rife with dangers beyond imagining--and it's Rachel Morgan's job to keep that world civilized. A bounty hunter and a witch with serious sex appeal and an attitude, she'll bring 'em back alive, dead . . . or undead.

Despite dating one vampire and living with another, Rachel Morgan has always managed to stay just ahead of trouble . . . until now. A fiendish serial killer stalks the Hollows, and no one living in or around Cincinnati—human, inhuman, or undead—is safe. An ancient artifact may be the key to stopping the murderer—a mysterious relic that is now in the hands of Rachel Morgan, fearless independent bounty hunter and reckless witch. But revealing it could ignite a battle to the death among the vast and varied local supernatural races. Rachel's been lucky so far. But even she can't hide from catastrophe forever.

The second novel in the addictive bestselling supernatural series begun with *Dead Witch Walking*. To save herself and her vampire roommate, former bounty hunter Rachel Morgan must confront six feet of sheer supernatural seduction—the vampire master—and dark secrets she's hidden even from herself.
