A Matrix of Meanings can be read in at least three ways: as a study of the marketplace driven by consumerism and fueled by advertising, whose highest aspirations are attained in celebrity; as a study of isolated artistic forms—music, movies, television, fashion, sports, art—and what they may tell us about our world, ourselves, and our God; and as a broad survey of our culture that reveals trends that cross art forms. These cultural shifts, studied in the marketplace and manifested across ...

advertising slogan you can't get out of your head, we are surrounded by popular culture. In A Matrix of Meanings Craig Detweiler and Barry Taylor analyze aspects of popular culture and ask, What are they doing? What do they represent? and What do they say about the world in which we live? Rather than deciding whether Bono deserves our admiration, the authors examine the phenomenon of celebrity idolization. Instead of deciding whether Nike's "Just do it" campaign is morally questionable, they ask what its success reflects about our society. Today the world is literally at our fingertips. We can call, text, email, or post our status to friends and family on the go. We can carry countless games, music, and apps in our pocket. Yet it's easy to feel overwhelmed by access to so much information and exhausted from managing our online relationships and selves. Craig Detweiler, a nationally known writer and speaker on media issues, provides needed Christian perspective on navigating today's social media culture. He interacts with major symbols, or "iGods," of our distracted

age--Google, Facebook, Amazon, Apple, Pixar, YouTube, and Twitter--to investigate the impact of the technologies and cultural phenomena that drive us. Detweiler offers a historic look at where we've been and a prophetic look at where we're headed, helping us sort out the immediate from the eternal, the digital from the divine.

Our culture has been reeling from divisiveness and strife. People have been divided politically (into red and blue states), morally, and spiritually. How can you reach across these rifts, mend fractured relationships, and share the healing love of God? You can become a "purple" Christian-a follower of Christ who finds middle

ground, not to compromise but to converse. A purple Christian... embodies the love of God and avoids evangelistic cliches, encourages creativity and the arts as expressions of God's goodness, revels in love and joy but also faces disappointment and doubt honestly advocates for all people, not only the unborn but also those lacking education and health care or struggling with poverty, helps all people experience the benefits of Christ's reign instead of determining who is "in" and who is "out". Christians have become known for what they oppose rather than what they propose-faith, hope, and love. A Purple State of Mind dismantles unhelpful misrepresentations of Jesus' life-giving message and shows how you can live out the good news in a

This book implements a conceptual framework for examining the post-modern, sociocultural Israeli scene that facilitates and triggers a search for meaning among its contemporary citizens. It combines theory, data, and illustrative case studies to unravel a variety of significant and fundamental manifestations of this quest as it is seen under existential duress.

How can Christianity continue to rejoice over a redemption that came at the cost of the violent suffering and death of Jesus Christ? In the wake of increasing revulsion toward oppression and abuse—both

historic and contemporary—traditionally Protestant and evangelical theology is in the precarious position of defending one of its cardinal doctrines amidst a host of compelling critiques and alternatives. In *I Will Repay*, Dennis Oh explores how soteriology rooted in Scripture and resonant with tradition can also be conversant with the cinematic experience offered by popular films. It proposes a narrative reenvisioning of the mechanism of atonement that both supports and extends traditional theological categories and vocabularies while retaining the cross-centered conviction of an evangelical gospel.

immensely influential media to unbelievers. In truth, the industry is listening. There is a church in Hollywood, but too often their work is unrecognized. Behind the Screen offers a glimpse of Hollywood insiders who, through their jobs on movie sets, behind TV shows, and in radio broadcasts, work together to give glory to God. With contributions from the writers and producers of such productions as Joan of Arcadia, Mission Impossible, Batman Forever, That '70s Show, and others, believers everywhere are encouraged to join with the church in Hollywood and do their part in closing the gap between Christianity and culture.

Matters to Those Seeking God, Christian Scharen shows how to engage faith and culture through a wide range of popular music, including the blues, hip-hop, and rock. He examines artists such as Arcade Fire, Kanye West, Leonard Cohen, and Billie Holiday, offering a fresh, compelling theology of culture in conversation with C. S. Lewis that can look suffering and brokenness in the face because it knows of a love deeper than hate, a hope stronger than despair. Written engagingly yet with theological depth, this book will resonate with readers interested in the interface between pop culture, music, and theology, as well as with pastors and youth ministers.

Helping Christians Understand the Power and Meaning of TV Since its inception, television has captured the cultural imagination. Outside of work and sleep, it is now the primary preoccupation of most Americans. Individuals consume upward of five hours of TV daily, even more when taking into account viewing done online and on mobile devices. TV is so ingrained in the fabric of everyday life that it can't help but function as one of the primary means through which we make sense of our lives and the world. This book shows that television--as a technology, a narrative art form, a commodity, and a portal for our ritual lives--confronts viewers theologically. Whether its content is explicitly spiritual or not, TV routinely invites (and sometimes

demands) theological reflection. This book articulates something of the presence and activity of God in the golden age of TV and forges an appropriate response to an ever-changing cultural form. It constructs a theology of television that allows for both celebration and critique, helping Christians more fully understand and appreciate the power and meaning of TV. A supplemental website provides additional resources, conversations, and close readings of TV programs.
