The angel said, "Fear not." "Fear not" is one of the standard opening lines that angels use to calm humans when they meet them, but it rarely does any good, and it certainly didn't do any good on this night. At the first sound coming from the angel's mouth, all eight shepherds fell flat on their faces. They were shaking and

history and in different cultures. Burnham writes about the powerful male angels, Buddhist bodhisattvas, Islamic angels, Hindu Apsaras, the mysterious angels of the Jewish Kabbalah, cherubim, seraphim, guardian angels, the angel of death, and others. What are angels? What do they look like? Whom do they choose to visit?
