Abacadabra Flute Pupil's Book | Musicroom.com
Recommended by 8 year olds flute teacher to teach note reading as a supplement to her usual Suzuki flute method. Great use of familiar tunes to help connect the notes on the page to songs typically learned in childhood through singing but also a good mix of less familiar tunes to push reading.

Abacadabra Flute has become a classic in the market, and here is a brand new edition. The cover has been redesigned, the music re-set, and new illustrations commissioned. Some new material has been added, supplying extra help where new notes are introduced and reinforcement exercises for tricky corners. As well as the new edition, there is now a CD available. Performed by professional musicians, it demonstrates each piece on flute with piano accompaniments from our book Abacadabra Flute Piano Accompaniments, enabling the pupil to hear how the pieces sound. Such a CD is invaluable for ensemble experience, and offers all the fun of playing with an accompaniment - perfect for home practice and concerts alike.

Issues for Nov. 1957- include section: Accessions. Aanwinste, Sept. 1957- (also published separately)

Flute Basics is a landmark method by one of the leading figures in flute education. It starts at absolute beginner level and progresses to about late elementary level (Grade 2). There are 22 stages, each section includes a wonderful variety of concert pieces from the great composers, traditional tunes and fun, original exercises, 'finger gyms' and 'warm ups' to help establish a sound technique, 'facilities' and 'quizzes' to teach notation and general musicianship, helpful, clear 'fingering charts' and 'rhythm boxes' and great illustrations. This Book/CD edition is the perfect resource as the CD contains all the accompaniments to all the pieces as well as providing additional parts for the duets and trios. It is most suitable for those wanting to teach themselves.

A carefully graded lesson by lesson method for the younger student, using very easy arrangements of over 20 favorite children's songs. Introduces five notes on each hand using the white notes only. Beautifully illustrated throughout in full color. Includes a matching CD & DVD covering all the lessons in the book.

Radio Production is for professionals and students interested in understanding the radio industry in today's ever-changing world. This book features up-to-date coverage of the purpose and use of radio with detailed coverage of current production techniques in the studio and on location. In addition there is exploration of technological advances, including handheld digital recording devices, the use of digital, analogue and virtual mixing desks and current methods of music storage and playback. Within a global context, the sixth edition also explores American radio by providing an overview of the rules, regulations, and purpose of the Federal Communications Commission. The sixth edition includes: Updated material on new digital recording methods, and the development of outside broadcast techniques, including Smartphone use. The use of social media as news sources, and an expansion of the station's presence. Global government regulation and journalistic codes of practice. Comprehensive advice on interviewing, phone-ins, news, radio drama, music, and scheduling. This edition is further enhanced by a companion website, featuring examples, exercises, and resources: www.localpress.com/cw/mcleish.

Abacadabra spells 'excellent instrumental tutors' and the Abacadabra approach to learning through songs and tunes has set countlessbeginners on a clear path of progress and enjoyment with their choseninstrument. Now in a third edition, Abacadabra Woodwind has a fresh and contemporary new look and extra new CDs to play with. With additional teaching material - and with nothing left out from theprevious edition - Abacadabra Oboe now has two CDs specially createdto make the aural learning experience engaging and accessible.

Preliminary, First Grade, Second Grade method for flute

Winner of the Booker prize and twice winner of the Booker of Bookers, Midnight's Children is "one of the most important books to come out of the English-speaking world in this generation" (New York Review of Books). Reissued for the 40th anniversary of the original publication—with a new introduction from the author—Salman Rushdie's widely acclaimed novel is a masterpiece in literature. Saleem Sinai is born at the stroke of midnight on August 15, 1947, the very moment of India's independence. Greeted by fireworks displays, cheering crowds, and Prime Minister Nehru himself, Saleem grows up to learn the ominous consequences of this coincidence. His every act is mirrored and magnified in events that sway the course of national affairs; his health and well-being are inextricably bound to those of his nation; his life is inseparable, at times indistinguishable, from the history of his country. Perhaps most remarkable are the telepathic powers linking him with India's 1,000 other 'midnight's children,' all born in that initial hour and endowed with magical gifts. This novel is at once a fascinating family saga and an astonishing evocation of a vast land and its people;a brilliant incarnation of the universal human comedy. Midnight's Children stands apart as both an epochal work of fiction and a brilliant performance by one of the great literary voices of our time.
