She lives as a ghost in the school after her death with two other kids who have died at school. Once Paige realizes a horrible rumor has been started about her that she has committed suicide, she finds an unexpected way to possibly chang

Absent by Katie Williams - Goodreads
Katie Williams Books. Absent . Forever is a long time to be stuck in high school. Paige is dead. She's become a ghost, permanently bound to the grounds of her high school with only two misfit dead kids for company. Paige watches as everyone she knows moves on with their lives, toward graduation, toward the future, while she stands still. But then a rumor that her death wasn't an accident but a ...

Absent - Katie Williams
Katie Williams second novel Absent was an amazing read. The opening pages debate what it is like to die. And it's here we learn our protagonist Paige has died. The premise of this novel reminded me of a lot of other books I had read but with one key difference, Paige isn't just dead - she can also possess the living.

Absent: A Novel eBook: Katie Williams: Amazon.co.uk ...
Katie Williams's Absent is magical realism. Maybe even straight-up supernatural. What happens outside of Paige, Evan, and Brooke's perspective is entirely in the real world. This is high school.

Title: Absent Author: Katie Williams Genre: Ghosts, Contemporary, Young Adult Publisher: Chronicle Books Publication date: May 21st 2013 Hardcover: 184 pages When seventeen-year-old Paige dies in a freak fall from the roof during Physics class, her spirit is bound to the grounds of her high school. At least she has company: her fellow ghosts Evan and Brooke, who also died there. But when Paige ...

Book Review: Absent by Katie Williams
Absent by Katie Williams is truly an amazing read and one that left me yearning to learn what happened next. My heart ached for Paige, Brooke, and Evan as they had to watch everything continue without them. Of course we know the world moves on without us after we pass on, but no one wants to be stuck watching the world move on without them.

Absent Katie Williams | datacenterdynamics.com
Katie Williams's second novel is a suspenseful page-turner full of eerie wit and a touch of the otherworldly. Before picking it up, I hadn't really heard anything about Absent. Someone at the local indie bookshop gave me their ARC and told me it was really good. So when I started reading, that was all I really heard about Absent (but that's probably because I read the book and am writing ...

When seventeen-year-old Paige dies in a freak fall from the roof during Physics class, her spirit is bound to the grounds of her high school. At least she has company: her fellow ghosts Evan and Brooke, who also died there. But when Paige hears the rumor that her death wasn't an accident—that she supposedly jumped on purpose—she can't bear it. Then Paige discovers something amazing. She can possess living people when they think of her, and she can make them do almost anything. Maybe, just maybe, she can get to the most popular girl in school and stop the rumors once and for all.

Seventeen-year-old Paige Wheeler died in a fall off the high school roof and now her spirit seems bound to the school grounds, along with Brooke and Evan, two other teen ghosts who died there—but maybe if she can solve the mystery of her apparent suicide they will all be able to move on.

FINALIST FOR 2018 KIRKUS PRIZE NAMED ONE OF THE "BEST LITERARY FICTION OF 2018" BY KIRKUS REVIEWS "Sci-fi in its most perfect expression...Reading it is like having a lucid dream of six years from next week, filled with people you don't know, but will." -NPR "[Williams's] wit is sharp, but her touch is light, and her novel is a winner." - San Francisco Chronicle "Between seasons of Black Mirror, look to Katie Williams' debut novel." -Refinery29 Smart and inventive, a page-turner that considers the elusive definition of happiness. Pearl's job is to make people happy. As a technician for the Apricity Corporation, with its patented happiness machine, she provides customers with personalized recommendations for greater contentment. She's good at her job, her office manager tells her, successful. But how does one measure an emotion? Meanwhile, there's Pearl's teenage son, Rhett. A sensitive kid who has forged an unconventional path through adolescence, Rhett seems to find greater satisfaction in being unhappy. The very rejection of joy is his own kind of "pursuit of happiness." As his mother, Pearl wants nothing more than to help Rhett--but is it for his sake or for hers? Certainly it would make Pearl happier. Regardless, her son is one person whose emotional life does not fall under the parameters of her job--not as happiness technician, and not as mother, either. Told from an alternating cast of endearing characters from within Pearl and Rhett's world, Tell the Machine Goodnight delivers a smartly moving and entertaining story about the advance of technology and the ways that it can most surprise and define us. Along the way, Katie Williams playfully illuminates our national obsession with positive psychology, our reliance on quick fixes. What happens when these obsessions begin to overlap? With warmth, humor, and a clever touch, Williams taps into our collective unease about the modern world and allows us see it a little more clearly.

Not your everyday coming-of-age novel. This story was supposed to be about Evie—how she hasn't made a friend in years, how she tends to stretch the truth (especially about her so-called relationship with college drop-out Jonah Luks), and how she finally comes into her own once she learns to just be herself—but it isn't. Because when her classmate Elizabeth "Zabet" McCabe's murdered body is found in the woods, everything changes—and Evie's life is never the same again.

Fifteen-year-old Mari Pujols believes that the baby she's carrying will finally mean she'll have a family member who will love her deeply and won't ever leave her—not like her mama, who took off when she was eight; or her papi, who's in jail; or her abuela, who wants as little to do with her as possible. But when doctors discover a potentially fatal heart defect in the fetus, Mari faces choices she never could have imagined. Surrounded by her loyal girl crew, her off-and-on boyfriend, and a dedicated doctor, Mari navigates a decision that could emotionally cripple the bravest of women. But both Mari and the broken-hearted baby inside her are fighters; and it doesn't take long to discover that this sick baby has the strength to heal an entire family. Inspired by true events, this gorgeous debut has been called "heartfelt, heartbreaking and yes!—even a little heart-healing, too" by bestselling YA novelist Carolyn Mackler.

A gorgeously written intergenerational story of three kids' search for the elusive Fountain of Youth.

Shy and awkward, ruthlessly ridiculed by other children and carelessly treated by adults, Claudia Fryar flees her hometown of Philadelphia after her father's death. But years of shame and silent suffering as the love child of the respected—and married—Louis Harrison finally come to a raging boil when Harrison's jealous widow cheats Claudia out of her inheritance. Twice-scorned, Claudia transforms herself into Peach Harrison: bold, beautiful...and sinister. Now a successful newscaster, Peach makes a triumphant return to Philadelphia, to the welcoming arms of those who once cast her aside. But as Peach puts her "big payback" scheme into action, she realizes that revenge comes with some serious costs of its own.

The complex, deeply binding relationship between mothers and daughters is brought vividly to life in Katie Hafner's remarkable memoir, an exploration of the year she and her mother, Helen, spent working through, and triumphing over, a lifetime of unresolved emotions. Dreaming of a "year in Provence" with her mother, Katie urges Helen to move to San Francisco to live with her and Zoë, Katie's teenage daughter. Katie and Zoë had become a mother-daughter team, strong enough, Katie thought, to absorb the arrival of a seventy-seven-year-old woman set in her ways. Filled with fairy-tale hope that she and her mother would become friends, and that Helen would grow close to her exceptional granddaughter, Katie embarked on an experiment in intergenerational living that she would soon discover was filled with land mines: memories of her parents' painful divorce, of her mother's drinking, of dislocating moves back and forth across the country, and of Katie's own widowhood and bumpy recovery. Helen, for her part, was also holding difficult issues at bay. How these three women from such different generations learn to navigate their challenging, turbulent, and ultimately healing journey together makes for riveting reading. By turns heartbreaking and funny—and always insightful—Katie Hafner's brave and loving book answers questions about the universal truths of family that are central to the lives of so many. Praise for Mother Daughter Me "The most raw, honest and engaging memoir I've read in a long time."—KJ Dell'Antonia, The New York Times "A brilliant, funny, poignant, and wrenching story of three generations under one roof, unlike anything I have ever read."—Abraham Verghese, author of Cutting for Stone "Weaving past with present, anecdote with analysis, [Katie] Hafner's riveting account of multigenerational living and mother-daughter frictions, of love and forgiveness, is devoid of self-pity and unafraid of self-blame. . . . [Hafner is] a bright—and appealing—heroine."—Cathi Hanauer, Elle "[A] frank and searching account . . . Currents of grief, guilt, longing and forgiveness flow through the compelling narrative."—Steven Winn, San Francisco Chronicle "A touching saga that shines . . . We see how years-old unresolved emotions manifest."—Lindsay Deutsch, USA Today "[Hafner's] memoir shines a light on nurturing deficits repeated through generations and will lead many readers to relive their own struggles with forgiveness."—Erica Jong, People "An unusually graceful story, one that balances honesty and tact . . . Hafner narrates the events so adeptly that they feel enlightening."—Harper's "Heartbreakingly honest, yet not without hope and flashes of wry humor."—Kirkus Reviews "[An] emotionally raw memoir examining the delicate, inevitable shift from dependence to independence and back again."—O: The Oprah Magazine (Ten Titles to Pick Up Now) "Scrap any romantic ideas about what goes on when a 40-something woman invites her mother to live with her and her teenage daughter for a year. As Hafner hilariously and touchingly tells it, being the center of a family sandwich is, well, complicated."—Parade

"Delightful . . . [a] captivating and slyly subversive fictional paean to the real women whose work on the Oxford English Dictionary went largely unheralded."—The New York Times Book Review WINNER OF THE AUSTRALIAN BOOK INDUSTRY AWARD • "A marvelous fiction about the power of language to elevate or repress."—Geraldine Brooks, New York Times bestselling author of People of the Book Esme is born into a world of words. Motherless and irrepressibly curious, she spends her childhood in the Scriptorium, an Oxford garden shed in which her father and a team of dedicated lexicographers are collecting words for the very first Oxford English Dictionary. Young Esme's place is beneath the sorting table, unseen and unheard. One day a slip of paper containing the word bondmaid flutters beneath the table. She rescues the slip and, learning that the word means "slave girl," begins to collect other words that have been discarded or neglected by the dictionary men. As she grows up, Esme realizes that words and meanings relating to women's and common folks' experiences often go unrecorded. And so she begins in earnest to search out words for her own dictionary: the Dictionary of Lost Words. To do so she must leave the sheltered world of the university and venture out to meet the people whose words will fill those pages. Set during the height of the women's suffrage movement and with the Great War looming, The Dictionary of Lost Words reveals a lost narrative, hidden between the lines of a history written by men. Inspired by actual events, author Pip Williams has delved into the archives of the Oxford English Dictionary to tell this highly original story. The Dictionary of Lost Words is a delightful, lyrical, and deeply thought-provoking celebration of words and the power of language to shape the world.

Peter Nimble and His Fantastic Eyes is the utterly beguiling tale of a ten-year-old blind orphan who has been schooled in a life of thievery. One fateful afternoon, he steals a box from a mysterious traveling haberdasher—a box that contains three pairs of magical eyes. When he tries the first pair, he is instantly transported to a hidden island where he is presented with a special quest: to travel to the dangerous Vanished Kingdom and rescue a people in need. Along with his loyal sidekick—a knight who has been turned into an unfortunate combination of horse and cat—and the magic eyes, he embarks on an unforgettable, swashbuckling adventure to discover his true destiny. Praise for Peter Nimble and His Fantastic Eyes "Auxier has a juggler's dexterity with prose that makes this fantastical tale quicken the senses." —Kirkus Reviews
