Emily and her winged horse, face an ancient challenge of Olympic proportions in this fourth book of the exciting Pegasus series. A deadly plague has struck Olympus. While the Olympians fade one by one, Emily's heart breaks as she watches, particularly when Pegasus begins to slip away. Determined to save him, she embarks on an investigation that takes her back in time to the origins of Olympus and to the deadly battle between the Olympians and the Titans. In the present, she must face the force of the CRU. In the past, she must confront Cronus, the father of the gods and leader of the Titans, who is intent on destroying his offspring. When Emily encounters the full power of the flame and a discovery that could change the face of history, will she make the right decisions? And in the race against time to save Pegasus, will Olympus find its true hero?

Dink, Josh, and Ruth Rose help catch the thieves who have stolen the treasure from the museum's mummy exhibit.

Move over Matilda and Madeline, there's a charming miniature heroine ready to make her mark! Her name is Alice-Miranda--and she's full of spunk! Alice-Miranda Highton-Smith-Kennigton-Jones can't wait to start boarding school. When she arrives at Winchesterfield-Downsfordvale Academy for Proper Young Ladies, the adventure begins . . . only not quite as Alice-Miranda expects. The minute she sets foot on the school's manicured grounds, she senses that something is wrong: Miss Grimm, the headmistress, is nowhere to be seen, the gardens have no flowers, and a mysterious stranger seems to be hiding out on the premises. But that's not all. Some girls are mean and spoiled, like Alethea Goldsworthy. Can Alice-Miranda defeat Alethea in one of three difficult tests she must pass to remain at school? Will she discover Winchesterfield-Downsfordvale's big secret—and make things right? Well, if anyone can, it's spunky Alice-Miranda!

A comprehensive introduction to statistics that teaches the fundamentals with real-life scenarios, and covers histograms, quartiles, probability, Bayes' theorem, predictions, approximations, random samples, and related topics.

While working at the mall, organizing a school fundraiser, and trying to prove that her best friend's boyfriend is seeing another girl, high-school student Charlotte's best intentions always seem to backfire.

This is the textbook only without Launchpad. With an author team equally at home in the classroom, in the lab, or on the bestseller list, this book is written to keep students turning the pages. It offers expert coverage of psychology's scientific foundations, but communicates with students in a style that's anything but that of a typical textbook. Introducing Psychology keeps the level of engagement high, with quirky and unforgettable examples, and reminders throughout that the critical thinking skills required to study psychology will serve students well throughout their lives. The fourth edition has been completely retooled for the classroom. For the first time, each chapter section begins with Learning Outcomes to guide students' learning. These outcomes represent the big picture, so readers come away with more than a collection of facts. The new edition also includes the new 'A World of Difference' feature, which highlights interesting and important research on individual differences such as sex, gender, culture and ethnicity in understanding the breadth of psychology. Introducing Psychology can also be purchased with the breakthrough online resource, LaunchPad, which offers innovative media content, curated and organised for easy assignability. LaunchPad's intuitive interface presents quizzing, flashcards, animations and much more to make learning actively engaging.

Catholic social teaching has explosive power for changing not just individuals, but whole societies. And it's the saints who light the fuse. - Brandon Vogt The value of human life. The call to family and community. Serving the poor. The rights of workers. Care for creation. The church has always taught certain undeniable truths that can and should affect our society. But over the years, these teachings have been distorted, misunderstood, and forgotten. With the help of fourteen saints, it's time we reclaim Catholic social teaching and rediscover it through the lives of those who best lived it out. Follow in the saints' footsteps, learn from their example, and become the spark of authentic social justice that sets the world on fire. Learn from heroes like: Bl. Teresa of Calcutta St. Peter Claver St. Frances of Rome St. Roque Gonzalez Bl. Pier Giorgio Frassati St. Damien of Molokai St. John Paul II
