This series supports teachers and students of Cambridge IGCSE(TM) English as a Second Language (0510/0511/0991/0993) The ideal companion to the Cambridge IGCSE(TM) English as a Second Language Coursebook, the workbook with digital access provides more opportunities for students to practise key skills and prepare for assessment. Following the same structure as the coursebook, each unit is split into four key practice areas: Vocabulary, Language, Skills (e.g. reading, writing, speaking and listening) and Exam practice. The language section is also split into three levels, providing 'foundation', 'practice' and 'challenge' activities to support every student. Suitable for students studying syllabuses for examination from 2024 and those seeking a course exit CEFR level of B1/B2.

An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.
