In Adiós nonino, we are presented again with a great live performance by the creator and master of Nuevo Tango in Lugano, Switzerland. For those who already own everything or almost everything by Piazzolla, this will be like a best-of (some of the tracks can also be found in the Milan-edition «Libertango») with very realistic sound-stage and polished sound.

The Art of Tango offers a systematic exploration of the

Download File PDF Adios Nonino For Piano And String

performance, arrangement and composition of the universally popular tango. The author discusses traditional practices, the De Caro school and the pioneering oeuvre of four celebrated innovators: Pugliese, Salgán, Piazzolla and Beytelmann. With an in-depth focus on both reception and practice, the volume and its companion website featuring supplementary audio-visual materials analyse, decode, compare and discuss literature, scores and recordings to provide a deeper understanding of tango's artistic concepts, characteristics and techniques. River Plate tango is explored through the lens of artistic research, combining the study of oral traditions and written sources. In addition to a detailed examination of the various approaches to tango by the musicians featured in this book, three compositions by the author embodying creative applications of the research findings are discussed. The

Download File PDF Adios Nonino For Piano And String

volume offers numerous tools for developing skills in practice, inspiring new musical output and the continuation of research endeavours in the field. Illustrating the many possibilities of this musical language that has captivated musicians and audiences worldwide, this book is a valuable resource for everyone with an interest in tango, whether they be composers, performers, arrangers, teachers, music lovers or scholars in the field of popular music studies.

A delightful biography of a celebrated Stradivarius cello and an inviting overview of cello music and its preeminent composers and performers by world-famous concert cellist Carlos Prieto.

Eighteen-year-old Hilda, known as "the girl in the gold bikini"

Download File PDF Adios Nonino For Piano And String

when she swam at her country club in Belo Horizonte, Brazil, abruptly leaves the gilded life to take up residence in room 304 of the Hotel Marvelous—as a prostitute. There she becomes Hilda Hurricane, an erotic force of nature no man can resist. The exception is reporter-narrator Roberto Drummond, who attempts to unravel the mystery of why the girl in the gold bikini would forego a comfortable life to join the world's oldest profession. While some in Belo Horizonte cheer Hilda's liberated lifestyle, others seek to have her moved outside the city limits, and a would-be saint cannot seem to finish the exorcism he began outside the Hotel Marvelous. Set against the social and political upheaval of the 1960s, Hilda's story seduces even as Drummond becomes aware of more ominous forces approaching Belo Horizonte. Hilda Hurricane was both a critical and a commercial success in Brazil, with more than 200,000

Download File PDF Adios Nonino For Piano And String

copies sold. (The DVD of the television adaptation has sold more than a million copies.) Admirers of Kurt Vonnegut will revel in Drummond's similarly sharp satire and playful digressions, particularly about left-wing politics, which blur the boundary between fiction and autobiography. Yet the real genius of the author's interventions may be that they never slow the story long enough to lose sight of this mysterious beauty swept up in the turmoil of the times.

Tracing Tangueros offers an inside view of Argentine tango music in the context of the growth and development of the art form's instrumental and stylistic innovations. Rather than perpetuating the glamorous worldwide conceptions that often only reflect the tango that left Argentina nearly 100 years ago, authors Kacey Link and

Download File PDF Adios Nonino For Piano And String

Kristin Wendland trace tango's historical and stylistic musical trajectory in Argentina, beginning with the guardia nueva's crystallization of the genre in the 1920s, moving through tango's Golden Age (1932-1955), and culminating with the "Music of Buenos Aires" today. Through the transmission, discussion, examination, and analysis of primary sources currently unavailable outside of Argentina, including scores, manuals of style, archival audio/video recordings, and live video footage of performances and demonstrations, Link and Wendland frame and define Argentine tango music as a distinct expression possessing its own musical legacy and characteristic musical elements. Beginning by establishing a broad framework of the tango art form, the book proceeds to move through twelve in-depth profiles of representative tangueros (tango musicians) within the genre's historical and

Download File PDF Adios Nonino For Piano And String

stylistic trajectory. Through this focused examination of tangueros and their music, Link and Wendland show how the dynamic Argentine tango grows from one tanguero linked to another, and how the composition techniques and performance practices of each generation are informed by that of the past.

(Meredith Music Resource). An invaluable, quick reference tool for any teacher, performer or student of the piano who desires an extensive listing of the most significant works composed for solo piano. Accurate, concise and thoroughly researched entries provide an at-a-glance overview of a composer's output, with information on difficulty levels, opus numbers, movement titles, publisher sources and so forth. Whether searching for new material or refreshing one's perspective, this portable database of information will prove itself
