Introduction to Accountancy

The burning question on every ambitious fee-earner's lips is: 'how do I make partner at this firm?' Fully updated with the latest insights to tackle all the most current challenges in this fast developing industry, this 2nd edition of How to Make Partner and Still Have a Life is your route map to making it to the top in a professional services firm. It shows you how to stand out, be in the right place at the right time and build your kitbag of skills to overcome the many hurdles and reach the Holy

Grail of becoming partner. This book reveals what it really takes to make it, and what it will involve once you're there. It helps you make an informed decision on whether or not this is the right step for you, and guides you on how to become a partner and still sustain a healthy work/life balance. Heather Townsend and Jo Larbie show you the rules of the game, laying bare exactly what you need to do to take the ultimate step.

The nineteenth edition of this authoritative text continues the legacy of its earlier editions and provides a comprehensive coverage of many advanced accounting topics. Detailed fundamentals provide a natural grounding and help in gaining accounting skills and knowledge. The book is aimed at CA/CS and other professional courses such as CPT, PCC, ICWA and others. The book could be used to great advantage by students of B.Com (Hons.) and accounting professionals.
