wonderful achievement. It is connected in its stillness to influences such as the ancient Chinese poets as well as contemporary innovation. Its clarity and dwelling-place: consciousness."—Stacey Levine, author, *THE GIRL WITH BROWN FUR* "It would be hard to overstate how thrilled it made me to read Rebecca Goodman's new collection *Aftersight*. As in her earlier work, *The Surface of Motion*, the writing is always superb—and always deeply compelling."—David St. John, author, *The Face: A Novella In Verse* "All the echoes of memory and the rapidly disintegrating past come into play in Rebecca Goodman's beautiful meditative novel—a chamber piece for embattled voices that unfolds inside the natural world. The narrator, taking on different guises, tries to make sense of what it means to be alive, "these things I can think and feel." Goodman writes at perfect pitch, looking back, looking forward, on the border between holding on and letting go. I couldn't stop reading."—Lewis Warsh, author, *ONE FOOT OUT THE DOOR*

A new novel by Los Angeles writer Rebecca Goodman.

Volume six of this definitive edition of Thomas Jefferson's papers from the end of his presidency until his death includes 516 documents from the 11th of March through to the 27th of November 1813.

AMC's episodic drama *Mad Men* has become a cultural phenomenon, detailing America's preoccupation with commercialism and image in the Camelot of 1960s Kennedy-era America, while self-consciously exploring current preoccupations. The 12 critical essays in this collection offer a broad, interdisciplinary approach to this highly relevant television show, examining *Mad Men* as a cultural barometer for contemporary concerns with consumerism, capitalism and sexism. Topics include New Historicist parallels between the 1960s and the present day, psychoanalytical approaches to the show, the self as commodity, and the "Age of Camelot" as an "Age of Anxiety," among others. A detailed cast list and episode guide are included. Instructors considering this book for use in a course may request an examination copy [here](#).
