Plants should be angled facing downwards when mounted, to allow water to drain out of the centre or crown of the plant, or gently shaken after watering to dislodge any water droplets; Temperature - Plants do best if the temperature does not drop below 12 °C (54 °F) and can tolerate a maximum of 30 °C (86 °F) if relative humidity is high. Pruning

Air plants / RHS Gardening

Air plants love warm weather so it's the other end of thermometer you need to watch. Protect your plants from anything colder than 45 degrees; they will die at those temperatures. If you live in Zone 9 or warmer, you can grow an air plant outdoors all year if you keep it dry during the winter.

How to Grow and Care for Air Plants | Better Homes & Gardens

While some air plant care tips will apply to the majority of Tillandsia, it's important to consider the air plant itself. In general, silver-leaved plants and those with a higher concentration of trichomes will do better with more light and a bit less water, whereas the darker green plants will want more water and could be more susceptible to sun damage.

Namechecked as the "LeBron James of plant styling..." by "Good Morning America", Hilton Carter now shows how you can make, style, decorate and care for your own stunning plant-inspired interior with his 25 step-by-step DIY projects and plant hacks. Carter, the Instagram star of the plant world and creator of green interiors has given us glimpses into many stunning plant-filled homes where ivy and creeping figs hang miraculously from ceilings, moss and ferns grow effortlessly to create living walls, fiddle leaf ferns and cheese plants thrive, whilst air plants beautify artworks and succulents flourish whether in pots on windowsills or planted in terrariums... Now in his third book, Wild Creations, Hilton actually shows you how you can create these amazing fixtures that enable plants to become such an integral part of an interior. Divided into four sections, Wild Ideas, Wild Hacks, Wild Rants and Wild Plants, Wild Creations shows you step by step how you can create air plant wreaths, moss walls, leather hanging plant stands, terrariums and many more stunning projects that will give you the green interior you crave. And just so your plants feel at home in your interior there is even a painting by numbers jungle mural, plus plant-scented candles to make sure your interior not only stays wild but that you and all its inhabitants thrive from the health giving benefits of greenery.

"Hilton Carter's love for plants is infectious... His lush and exuberant displays are inspiring reminders that plants can be so much more than neat little containers on a window sill."Grace Bonney, Founder and Editor-in-Chief, Design*Sponge Take a tour through Hilton 's own apartment and other lush spaces, filled with a huge array of thriving plants, and learn all you need to know to create your own urban jungle. As the owner of over 200 plants, Hilton feels strongly about the role of plants in one 's home – not just for the beauty they add, but for health benefits as well: " having plants in your home not only adds life, but changes the airflow throughout. It 's also a key design element when styling your place. For me, it wasn 't about just having greenery, but having the right variety of greenery. I like to see the different textures of foliage all grouped together. You take a fiddle leaf fig and sandwich it between a birds of paradise and a monstera and.... yes! ' You will be armed with the know-how you need to care for your plants, where to place them, how to propagate, how to find the right pot, and much more, and most importantly, how to arrange them so that they look their best. Combine sizes and leaf shapes to stunning effect, grow your own succulents from leaf cuttings, create your own air plant display, and more.

House of Plants is a guide to how to love and care for your succulents, cacti and air plants. These plants are practical, hardy and perfect for urban living - and this book is a comprehensive companion, showing you how to care for these plants, as well as how to stylishly arrange them in your home.
