Air (Akasha, #2) by Terra Harmony

Kudos to Terra Harmony, I really enjoyed the story line, found it to be eye opening, it's a wonderful series on Mother Earth and I sincerely look forward to the next in the series. I even learned a few things (yup I did Google some of the earth friendly suggestions and found them to be brilliant!!)

Elemental powers in the palm of her hand, and it won't be enough to save her. When Kaitlyn Alder is involuntarily introduced to a life of magic, she becomes part of an organization hell-bent on saving the Earth. Her newfound life holds promises of purpose, romance, and friendship, but the organization divides and a rogue member holds Kaitlyn hostage. Now one of the most terrifying men the human race has to offer stands between her and Earth's survival.

She carries more than elemental powers. In 'Air', the sequel to 'Water' of the Akasha Series, Kaitlyn has a secret. One she won't be able to hide much longer. As the strongest Gaia the planet has ever seen, she must face mankind's greatest enemy as he campaigns for 'One Less: Depopulation'. Everything depends on Kaitlyn fully embracing her role as Gaia. Her family. The Seven. The Earth. Something has to give, and it won't be Kaitlyn.

Two separate worlds; the Undine of The Deep and the Wolves of The Dry. A history muddled in war but thick with family bonds blur the lines of right and wrong. The youngest members of each race unite,

trying to steer their people away from the brink of disaster. Serena and Liam must work together to resolve the problems of their people before the pressure tears these twin siblings apart. But the betrayed are angry, and are out for revenge.

Eighteen-year-old Serena reigns as queen of both the Undine of The Deep and the wolves of The Dry. The alliance between her maidens and the werewolves is shaky when all at once the basic necessities of food and shelter are taken away and both their worlds fall apart. After decades of war, the two societies must work together to face what lies ahead. A promised land is theirs for the taking, but first, they must survive each other.

Cat-eared chimeras, hunky detectives, cagey zealots and a slave-trading space station. Many people dream of an off-world life, but for Nikta Kozan the wilds of Renga are more than enough. She has plenty to do, delivering mail in a lawless frontier, reporting back to her magic-wielding cousins at the shadowy Enso, and trying to mend relations with her brother at the Chalinex City Police Department. When one of her favorite customers complains about a missing grandson, can she hand over the case to the cops or will this feisty ket have to handle things on her own? Find out in this thrilling, action-packed sequel to Post Magic. If you liked Firefly, Dark Angel, Lost Girl, Dark Matter or the Dresden Files, you'll love Post Magic, a wild paranormal space fantasy with steampunk elements.

This is the boxed set of all four books in The Akasha Series; Water, Air, Fire and Earth. Water: Elemental powers in the palm of her hand.....and it won't be enough to save her. When Kaitlyn Alder is involuntarily introduced to a life of magic, she becomes part of an organization hell-bent on saving the Earth. Just as her newfound life holds promises of purpose, romance, and friendship, the organization divides and a rogue member holds Kaitlyn hostage. Now one of the most terrifying men the human race has to offer stands between her and Earth's survival. Air: She carries more than elemental powers. In 'Air', the sequel to 'Water' of the Akasha Series, Kaitlyn has a secret. One she won't be able to hide much longer. As the strongest Gaia the planet has ever seen, she must face mankind's greatest enemy as he campaigns for 'One Less: Depopulation'. Everything depends on Kaitlyn fully embracing her role as Gaia. Her family. The Seven. The Earth. Something has to give, and it won't be Kaitlyn. Fire: Elemental magic is a weapon of power, on both sides of the war. The Seven has another leader, Kaitlyn is a new mother, and everyone is busy building their armies. During one battle, the secret to Akasha is discovered, and the race to master it is on. With all eyes on the prize, what matters most gets left behind. It is up to Kaitlyn to preserve the planet in the wake of the pure destructive power of Akasha, and the humans who wield it. Earth: After an elemental apocalypse, the fate of Earth hangs in the balance. The hunt for Micah in a world that has gone dim leads Kaitlyn straight to Shawn and One Less. While struggling to survive, she battles a side of her that is as dark as the rest of the planet. In the exciting conclusion to The Akasha Series, our heroine is no longer a part of The Seven or One Less. Now she is on Team Kaitlyn; who will join her?

Has one ever imagined what it would be like for an angel to be sent as an emissary by the command of God? Beyond the Wooden Gate gives us a glimpse into the mission of an angel sent to earth to save an old lady's soul. Celeste Terra is an elderly woman whose mother has suddenly passed away. A Christian, she becomes angry with God for his abrupt taking of her mother. Satan has traipsed into Celeste's soul, leading her into bitter grief and denouncing her faith in God. But God has a plan for Celeste Terra: his plan to redeem her heart. He has given his instruction to his angelic messenger; this child must remember guidance from a loved one. And so Celeste Terra's journey begins, from resentment to

Download File PDF Air Terra Harmony

repentance. As Celeste recalls a childhood story her mother had shared with her as a young girl, she takes to heart its message. God gives us choices; the small gate at the narrow road or the wide gate at the broad road. Beyond the wooden gate, which road will Celeste Terra choose?
