From tea guru Sebastian Beckwith and New York Times bestsellers Caroline Paul and Wendy MacNaughton comes the essential guide to exploring and enjoying the vast world of tea. Tea, the most popular beverage in the world after water, has brought nations to war, defined cultures, bankrupted coffers, and toppled kings. And yet in many ways this fragrantly comforting and storied brew remains elusive, even to its devotees. As down-to-earth yet stylishly refined as the drink itself, *A Little Tea Book* submerges readers into tea, exploring its varieties, subtleties, and pleasures right down to the process of selecting and brewing the perfect cup. From orange pekoe to pu-erh, tea expert Sebastian Beckwith provides surprising tips, fun facts, and flavorful recipes to launch dabblers and connoisseurs alike on a journey of taste and appreciation. Along with writer and fellow tea-enthusiast Caroline Paul, Beckwith walks us through the cultural and political history of the elixir that has touched every corner of the world. Featuring featuring charming, colorful charts, graphs, and illustrations by bestselling illustrator Wendy MacNaughton and Beckwith's sumptuous photographs, *A Little Tea Book* is a friendly, handsome, and illuminating primer with a dash of sass and sophistication. Cheers!

Geronimo Stilton has taken the world by storm! Funny and adventurous stories with colourful, engaging text design from the UK publishers who brought you *Diary of a Wimpy*

Kid. Perfect for both avid and reluctant readers of 5+Red Pizzas for a Blue Count Geronimo's cousin is stuck in Transratania, the land of vampire bats! His sister Thea drags Geronimo along on a rescue mission, but he might be more of a hindrance than a help. After all, he knows that a vampire bat would love to sink its fangs into a tender mouse like him! *Over 75 million copies sold* *Also available in audio* Geronimo Stilton is the publisher of The Rodent's Gazette, Mouse Island's most famous newspaper. In his spare time, Mr. Stilton enjoys collecting antique cheese rinds, playing golf, and telling stories to his nephew Benjamin. He lives in New Mouse City, Mouse Island.

A bond of love unites a family throughout generations in this companion to the beloved and bestselling classic *The Keeping Quilt*. As a young Russian Jewish girl in the early 1900s, Anna and her family lived in fear of the Czar's soldiers. The family lived a hard life and had few possessions—their treasure was a beautiful china tea set. A wedding gift to Anna's parents, the tea set came with a wish that "Anyone who drinks from this will have blessings from God. They will never know a day of hunger. Their lives will always have flavor. They will know love and joy and they will never be poor." When Anna's family leaves Russia for America, they bring the tea set and its blessings. A source of heritage and security, the tea set helps Anna's family make friends and find better lives in America. A cup from the tea set—*The Blessing Cup*—became an anchor of family history, and it remains a symbol of lasting love more than a century later. This tender tribute to the importance of loving lineage is a prequel and companion to the perennial bestseller *The Keeping Quilt* and is told and illustrated with authenticity and tremendous heart.

The Cup of Coffee Club shares the stories of eleven men who played in just a single major league baseball game and how they responded to the heartache of never making it back. Featuring exclusive interviews with each of the players, their insight provides a unique look into the struggles of being a professional ballplayer. Reaching the major leagues is a pipe dream for most young baseball players in America. Very few ever get to live it out. While many that do make it to the big leagues stay there for a long time, there are just as many that are only there for a brief moment. A select few of those players face the elation and frustration of getting to play in just one major league game. The Cup of Coffee Club: 11 Players and Their Brush with Baseball History tells the stories of eleven of these players and their struggles to reach the major leagues, as well as their struggles to get back. They include a former Major League Baseball manager, the son of a Baseball Hall of Famer, and two different brothers of Hall of Famers. Exclusive interviews with each of the players provide insight into what that single seminal moment meant and how they dealt with the blow of never making another major league appearance again. Spanning half a century of baseball, each player's journey to Major League Baseball is distinct, as is each of their responses to having played in just a single game. The Cup of Coffee Club shares their unique perspectives, providing a better understanding of just how special each major league game can be.

Love is in the air! Geronimo has met the mouse of his dreams but he just can't play it cool. He needs to do something amazing, something incredible to catch her attention! What better way than by searching for the Eighth Wonder of the World: the mysterious Valley of the

Cheeselets? Will he return home a legend? And will it all be worth it in the end? The series is perfect for 5 to 8 year old's both avid and reluctant readers due to its expressive typeset, fun illustrations and humorous stories. Supplementary material is available: www.sweetcherrypublishing.com/resources

Follow the ultimate coffee geeks on their worldwide hunt for the best beans. Can a cup of coffee reveal the face of God? Can it become the holy grail of modern-day knights errant who brave hardship and peril in a relentless quest for perfection? Can it change the world? These questions are not rhetorical. When highly prized coffee beans sell at auction for \$50, \$100, or \$150 a pound wholesale (and potentially twice that at retail), anything can happen. In *God in a Cup*, journalist and late-blooming adventurer Michael Weissman treks into an exotic and paradoxical realm of specialty coffee where the successful traveler must be part passionate coffee connoisseur, part ambitious entrepreneur, part activist, and part Indiana Jones. Her guides on the journey are the nation's most heralded coffee business hotshots: *Counter Culture*'s Peter Giuliano, *Intelligentsia*'s Geoff Watts, and *Stumptown*'s Duane Sorenson. With their obsessive standards and fiercely competitive baristas, these roasters are creating a new culture of coffee connoisseurship in America—a culture in which \$10 lattes are both a purist's pleasure and a way to improve the lives of third-world farmers. If you love a good cup of coffee—or a great adventure story—you'll love this unprecedented up-close look at the people and passions behind today's best beans. “Weissman illustrates how the origin, flavor compounds and socioeconomic impact of a cup of coffee are relevant now more than ever. . . . Tagging along behind the main characters in today's specialty
