"Smarter Government: Governing for Results in the Information Age is about a more effective way to lead that is emerging, enabled by the Information Age. It provides real solutions to real problems using GIS technology and helps develop a management strategy using data that will profoundly change an organization, as successfully implemented by Gov. Martin O'Malley in the state of Maryland"--

This convenient Portable Version of O'Connor/Sabato's American Government: Continuity and Change features all the content of the original comprehensive text split into four lightweight, paperbacks—Foundations, Institutions, Political Behavior, and Public Policy—plus new practice tests for students found at the back of each volume. Guided by the belief that students must first understand how American government developed over more than two centuries to fully understand the issues facing the United States today, O'Connor/Sabato offers the strongest coverage of both history and current events of any college textbook devoted to American politics. This best-selling book

Chapter 16 Economics
provides the historical context students need to understand our government and the most crucial and controversial issues affecting the nation in the 21st century. American Government: Continuity and Change, has been extensively revised to provide the most in-depth and current coverage of the 2006 midterm elections, the second George W. Bush administration, the Iraq War, and increasing controversies related to the conduct of the war on terrorism, including renewed calls for additional congressional oversight of the Executive Branch. The new edition also emphasizes the extent to which shared American values shape and affect policy and influence key political conflicts.

Chapter 10: Essential
process and the role of political
parties.--Foreword.

All the tools students need to understand American politics—with 9 chapters on Texas government and politics.

Updated to reflect the current political landscape, this book is organized around a "participation" approach and provides an innovative content style and interactive assessment. It is designed to get readers to participate in their learning and in all aspects of American politics. Covering the foundations and institutions of the American Government, readers are prompted to draw connections between government topics and current events while finding a role for themselves in politics and government.

Where To Download American Government

This update includes coverage of the seismic changes that have taken place across our political landscape since the second edition published and Barack Obama took office.
