The Essentials Edition of AMERICAN GOVERNMENT: INSTITUTIONS AND POLICIES is a clear and approachable text for students trying to successfully understand American government. It sets the standard for examining current issues in American politics, focusing on the importance of American governmental institutions, the historical development of governmental procedures and policies as well as on who governs in the United States and to what ends. The sixteenth edition includes concise learning objectives, highlighted key concepts and opportunities for practical application of contemporary debates on policy dynamics. These features allow students to identify important issues in American politics, maximize comprehension and engage with the material in a meaningful way. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Acclaimed for the scholarship of its prominent authors and the clarity of its narrative, AMERICAN GOVERNMENT: THE ESSENTIALS focuses on three fundamental topics: the importance of institutions of American government; the historical development of governmental procedures, actors, and policies; and who governs in the United States and to what ends. The policymaking process and politics of policy are discussed in Chapter 1, and new Policy Dynamics: Inside/Outside the Box features integrate policy coverage throughout the text without the extra length of domestic and foreign policy chapters. Features such as learning objectives, Constitutional Connections relating current issues to founding principles, and How Things Work boxes illustrating important processes, help you organize your study and master the book's key concepts. The state-of-the-art media package available for this text provides online tools that help you interact with the material to prepare for class, study for exams, and succeed. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This popular brief edition text maintains the framework of the Wilson, DiIulio, and Bose complete text, emphasizing the historical development of the American political system, who governs, and to what ends. Completely up to date, AMERICAN GOVERNMENT: BRIEF VERSION, Eleventh Edition offers new coverage of such key and emerging issues as the 2012 campaigns and elections; leadership of President Obama and the 112th Congress; the economic downturn and ensuing policies; healthcare reform; foreign relations with North Korea and Iran; the war in Afghanistan; and more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Acclaimed for the scholarship of its prominent authors and the clarity of its narrative, American Government sets the standard for public policy coverage while maintaining focus on three fundamental topics: the institutions of American government; the historical development of governmental procedures, actors, and policies; and who governs in the United States and to what end. Proven pedagogical features involve students in the material , including chapter outlines, suggested web links for research, and How Things Work boxes that summarize basic information and important facts. Components of the media package include web resources such as primary source documents, election ads, audio clips, and interactive activities. Most of the features include related pedagogy or critical-thinking questions. Chapter pedagogy that encourages critical thinking includes Who governs? And to What Ends? questions that open each chapter to engage students in the material, and Reconsidering Who Governs and Reconsidering to What Ends at the close of the chapter to emphasize the complexity of the questions. Landmark Cases features identify influential Supreme Court decisions in areas such as affirmative action, the media, and foreign affairs. What Would You Do? boxes in relevant chapters help students act as decision makers by presenting them with a realistic domestic policy issue, which they can consider in a paper or class discussion.

AMERICAN GOVERNMENT: INSTITUTIONS AND POLICIES: THE ESSENTIALS is a clear and approachable text for students trying to successfully understand American government. It sets the standard for examining current issues in American politics focusing on the importance of American governmental institutions, the historical development of governmental procedures and policies, and who governs in the United States and to what ends. It includes concise learning objectives, highlighted key concepts, and opportunities for practical application of contemporary debates on policy dynamics. These features allow students to identify important issues in American politics, maximize comprehension, and engage with the material in a meaningful way.
