The Jew, according to the Arab stereotype, is a brutal, violent coward; the Arab, to the prejudiced Jew, is a primitive creature of animal vengeance and cruel desires. In this monumental work, David Shipler delves into the origins of the prejudices that have been intensified by war, terrorism, and nationalism.

Arab and Jew: Wounded Spirits in a Promised Land: Shipler ...
And he writes of the people: the Arab woman in love with a Jew, the retired Israeli military officer, the Palestinian guerrilla, the handsome actor whose father is Arab and whose mother is Jewish. For Shipler, and for all who read this book, their stories and hundreds of others reflect not only the reality of "wounded spirits" but also a glimmer of hope for eventual coexistence in the Promised Land.

Arab and Jew: Wounded Spirits in a Promised Land - David K ...
Arab & Jew: Wounded Spirits in a Promised Land by David Shipler is an extraordinary, powerful & balanced glimpse at life in Israel & the Palestinian Territories by the former New York Times correspondent, based in Jerusalem. I found the book quite engrossing because it seemed so open to the people who live there and to the possibilities, however slim, for an eventual reconciliation between the Arabs & Jews who share and contest the area also known as the Holy Land.

Buy a cheap copy of Arab and Jew: Wounded Spirits in a... book . The correspondent for The New York Times in Jerusalem from 1979 to 1984, David K. Shipler brings a very American moral commitment to the problem of Arab-Jewish...

Arab and Jew: Wounded Spirits in a... book
The one weakness of Arab and Jew is that after awhile it becomes different variations on a theme, with endless stories that resemble others told countless times before it. It is important for each voice to be heard of course, but its length seemed to me to rob the book of a bit of its urgency, and it was in all honesty a bit tough to finish.

The expanded and updated edition of David Shipler's Pulitzer Prize-winning book that examines the relationship, past and present, between Arabs and Jews In this monumental work, extensively researched and more relevant than ever, David Shipler delves into the origins of the prejudices that exist between Jews and Arabs that have been intensified by war, terrorism, and nationalism. Focusing on the diverse cultures that exist side by side in Israel and Israeli-controlled territories, Shipler examines the process of indoctrination that begins in schools; he discusses the far-ranging effects of socioeconomic differences, historical conflicts between Islam and Judaism, attitudes about the Holocaust, and much more. And he writes of the people: the Arab woman in love with a Jew, the retired Israeli military officer, the Palestinian guerrilla, the handsome actor whose father is Arab and whose mother is Jewish. For Shipler, and for all who read this book, their stories and hundreds of others reflect not only the reality of wounded spirits but also a glimmer of hope for eventual coexistence in the Promised Land.

This video based on David Shipler's book examines the tension between Arabs and Jews living within the lands under the jurisdiction of the Israeli state, including the West Bank and the Gaza strip. The program takes an intimate look at Israeli and Palestinian society and the complicated relationships in the former Arab territories now under the jurisdiction of the state of Israel. It also examines the origins of the division between these peoples beginning with Israel's 1948 War for Independence. The long unresolved issues of intolerance, repression and differeing beliefs or social status have brought about a continuing state of war for both Arab and Jew in the former Arab territories now under the jurisdiction of the state of Israel. Locked in a prolonged struggle, few of the participants in the political strife can see beyond the narrow confines of their own personal suffering.

"With a new afterword"-- Page [4] of cover.

Traces the history of Israel and its relations with its Arab neighbors, examines American policy concerning the region, and discusses the advantages of a negotiated peace

An impassioned critique of breakdowns in civil rights in the United States throughout the past decade explores specific causes and their impact on everyday life while sharing the stories of innocent individuals whose lives have been painfully challenged. By the Pulitzer Prize-winning author of Arab and Jew. Reprint.

Describes the October 1958 bombing of the Reform Jewish synagogue in Atlanta and discusses the role of Rabbi Jacob Rothschild as an early spokesman for racial equality

Israel is surrounded by an array of ever-changing threats. But what if its most serious challenge comes from within? There was once a national consensus in Israeli society: politics was split between left and right, but its people were broadly secular and liberal. Over the past decade, the country has fractured into tribes---disparate groups with little shared understanding of what it means to be a Zionist, let alone an Israeli. A once-unified population fights internecine battles---over religion and state, war and peace, race and identity---contesting the very notion of a 'Jewish and democratic' state. While this shift has profound implications for Israel's relationship with the broadly liberal Jewish diaspora, the greatest consequences will be felt at home. Israel's tribes increasingly lead separate lives; even the army, once a great melting-pot, is now a political and cultural battleground. Tamir Pardo, former head of Mossad, has warned of the risk of civil war. Gregg Carlstrom maps this conflict, from cosmopolitan Tel Aviv to the hilltops of the West Bank, and asks a pressing question: will the Middle East's strongest power survive its own internal contradictions?
