Read Online Arabic Practical Dictionary Arabic English English Arabic Hippocrene Practical Dictionaries

The newest edition to the Visual Bilingual Dictionary series, this title will help the international visitor-whether for business or recreational-adsorb essential vocabulary in Portuguese.

"An enlarged and improved version of "Arabisches Wèörterbuch fèur die Schriftsprache der Gegenwart" by Hans Wehr and includes the contents of the "Supplement zum Arabischen Wèörterbuch fèur die Schriftsprache der Gegenwart" and a collection of new additional material (about 13.000 entries) by the same author."

The A to Z highlights common pitfalls faced by translators working on both Arabic-English and English-Arabic texts. Each translation problem is carefully contextualized and illustrated with examples drawn from contemporary literature and the media. Using a comparative analysis approach, the authors discuss grammatical, lexical and semantic translation issues, and offer guidance regarding correct and idiomatic usage. A much-needed addition to the field for university-level students of translation and professional translators alike, the A to Z has been designed with a view to •developing and honing skills in translating between Arabic and English •enhancing idiomatic expression in both languages; •raising awareness of problems specific to Arabic-English and English-Arabic translation; •increasing competency by providing appropriate strategies for effective translation. Alphabetic arrangement of the entries ensures ease of use as both a manual and a reference work. As such, the A to Z is eminently suited for both independent and classroom use..

Discusses the basics of the Arabic language and provides instruction in the Arabic alphabet

Arabic-English-Arabic Legal Translation provides a groundbreaking investigation of the issues found in legal translation between Arabic and English. Drawing on a contrastive-comparative approach, it analyses parallel authentic legal documents in both Arabic and English to examine the features of legal discourse in both languages and uncover the different translation techniques used. In so doing, it addresses the following questions: What are the features of English and Arabic legal texts? What are the similarities and differences of English and Arabic legal texts? What are the difficult areas of legal translation between English and Arabic legal texts? What are the techniques for translating these difficult areas on the lexical and syntactic levels? Features include: A thorough description of the features of legal translation in both English and Arabic, drawing on empirical new research, corpus data analysis and strategic two-way comparisons between source texts and target texts Coverage of a broad range of topics including an outline of the chosen framework for data analysis, a historical survey of legal discourse developments in both Arabic and English and detailed analyses of legal literature at both the lexical and syntactic levels Attention to common areas of difficulty such as Shariah Law terms, archaic terms and model auxiliaries Many examples and excerpts from a wide selection of authentic legal documents, reinforced by practical discussion points, exercises and practice drills to encourage active engagement with the material and opportunities for hands-on learning. Wide-ranging, scholarly and thought-provoking, this will be a valuable resource for advanced undergraduates and postgraduates on Arabic, Translation Studies and Comparative Linguistics courses. It will also be essential reading for translation professionals and researchers working in the field.

This clearly structured guide will help learners who already have a basic grasp of Arabic to hone their translation skills. The texts chosen for translation exercises have been carefully selected from a variety of authentic, contemporary texts across a broad range of genres.

This translation guide is based on sound theoretical and pedagogical principles. Unlike other translation manuals available, it transcends crude dichotomies of "literal" vs. "free" translation, "specialized" vs. "general," "communicative" vs. "semantic," etc. and concentrates instead on developing in the student a sensitivity to text-types and a deeper understanding of the demand. which a given text-type makes on the translator. In addition, the student who closely follows this Guide will acquire the analytical tools necessary to make meaningful comments about translation and translations. A glossary of text-linguistic and translation terms Is provided together with a select bibliography.
