Onesimus is a slave. Eirene is a rich merchant's daughter. Onesimus longs to gain his freedom and Eirene's love. However, he doesn't realize where true freedom lies. He wants nothing to do with Jesus Christ. His master, Philemon, may follow the teachings of the Christ and his apostle Paul... but Onesimus has other plans.

Since its introduction to the U.S. market in 2002, the MINI Cooper and Cooper S have been among the hottest selling subcompact hatchbacks on the market. Brian and his friends are not part of the cool crowd. They ’re the misfits and the troublemakers—the ones who jump their high school ’s fence to skip class regularly. So when a deadly virus breaks out, they ’re the only ones with a chance of surviving. The virus turns Brian ’s classmates and teachers into bloodthirsty attackers who don ’t die easily. The whole school goes on lockdown, but Brian and his best friend, Chad, are safe (and stuck) in the theater department—far from Brian ’s sister, Kenzie, and his ex-girlfriend with a panic attack problem, Laura. Brian and Chad, along with some of the theater kids Brian had never given the time of day before, decide to find the girls and bring them to the safety of the theater. But it won ’t be easy, and it will test everything they thought they knew about themselves and their classmates. Praise for SICK “The gore and action will leave enthralled readers thrilled and then sated with each kill on either side.” —Booklist “Between the pacing and the heroes ’ salty, blue language (full of lovingly creative, genital-inspired insults), reluctant readers who love zombies will devour it, right up to the abrupt end.” —Kirkus Reviews “Sick is well written, with great detail, even if it is a little gory.” —VOYA Magazine Awards 2014 Quick Picks for Reluctant Young Readers list from YALSA

A tender and powerful novel which explores the remarkable bond between a lonely girl, a dying boy and an injured wild bird - a tale that will touch every reader.

Brilliant. Colorful. Visionary. Tenacious. Witty. Since his appointment to the Supreme Court in 1986, Associate Justice Antonin Scalia has been described as all of these things and for good reason. He is perhaps the best-known justice on the Supreme Court today and certainly the most controversial. Yet most Americans have probably not read even one of his several hundred Supreme Court opinions. In Scalia Dissents, Kevin Ring, former counsel to the U.S. Senate’s Constitution Subcommittee, lets Justice Scalia speak for himself. This volume—the first of its kind— showcases the quotable justice’s take on many of today’s most contentious constitutional debates. Scalia Dissentscontains over a dozen of the justice’s most compelling and controversial opinions. Ring also provides helpful background on the opinions and a primer on Justice Scalia’s judicial philosophy. Scalia Dissents is the perfect book for readers who love scintillating prose and penetrating insight on the most important constitutional issues of our time.

Annotation Initial public offerings (IPOs) garnered unprecedented positive attention in the 1990s for their spectacular returns and central role in entrepreneurial activity. Subsequent revelations of unscrupulous IPO allocation and promotion practices cast a less fa.

Inventive, hilarious and joyously colorful, this fill-in journal was designed to help kids capture nearly everything that’s uniquely rad about them. With design-savvy, yet completely kid-friendly illustrations, they’re asked to draw or write about a bunch of interesting things -- like what their hair looks like, what their band name would be, what they’d bring to outer space, and how they feel about lightning, lizards and pickles. There may or may not be a place for super-secret stuff inside the book jacket. Whether kids complete their entire compendium on a rainy day, or finish it over a year, it’ll become a treasure to look back on and smle. Ideal for the holidays, rainy days and happy occasions of all kinds, this is an imagination-building gift will engage kids for hours on end
