Bentley Publishers is the exclusive, factory-authorized publisher of MG, Austin-Healey, Triumph, and Jaguar Service and Repair Manuals in the United States and Canada. Each Official Workshop Manual includes the Driver's Handbook and incorporates additional factory procedures and specifications that became available following the publication of the original factory information. There is also a substantial amount of supporting information compiled by Bentley Automotive Engineers in conjunction with the British Leyland training organization. This includes emission control and air conditioning supplements, as well as high-performance special tuning manuals with competition parts lists when available.
