Perceived as a replacement for the long running Leone, the Impreza quickly gained a great reputation through Subaru's successful WRC program. This book covers the full story of the Impreza, from concept through to the current production car, looking at the rally machines along the way, and illustrated throughout with contemporary material. Now with over 400 mainly color pictures and significant additional text, this is a fantastic warts and all account of an amazing car.

The Subaru Impreza first appeared on the World Rally scene in 1993, taking a hat-trick of World Rally Manufacturers' Championships, in 1995, 1996 and 1997. The drivers the likes of Marku Alen, Ari Vatanen, and Colin McRae have competed in the World Rally Championship in Imprezas and all went on to winning the World Rally Drivers' Championship in Imprezas. These cars continued to compete on the World Rally stage until the end of 2008, when the Subaru World Rally Team unfortunately withdrew from rallying. This brand new Haynes Manual covers one of the most iconic rally cars in recent years, and does so in perfect detail. People that love the Impreza, really love the Impreza, so get the full facts and specs now!

The witchfinder stood on the edge of the square at some distance from the burning stake, savouring his moment of triumph. He saw those witches fly. Did the crowds notice? No! Elspeth, her beauty melting before their eyes as if she were a fragrant candle, charmed them. But Matthew saw. He knew Elspeth survived. Wherever she is, he will find her. He will hunt her down, and one will die. Their soul cast down. It is his solemn vow. He will not suffer a witch to live. She rose with the hot swirling smoke, and tumbled through the centuries, from the clear cool air. All Hallows' Eve looms. A special day when the veil lifts and Elspeth has organised a party . . . A bewitchingly dark fairy tale set in the seventeenth and twenty-first centuries, Somerset.
