"An exceptionally good crime thriller, loved the Scottish setting" Gary Miller When a body is found in a remote Scottish glen, DI Munro comes out of retirement to investigate. The Police chief wants everything wrapped up before the upcoming regatta, but the locals are remarkably unforthcoming with helpful information. Sassy and quick, London detective sergeant Charlotte West is roped in by DI Munro to help solve what is now a murder case. It is good police work that will unravel the truth behind the crime, but not without ruffling a few feathers first. Will the killer escape the sharp-witted detectives' grasp? If you enjoy a whodunnit with a twist, this atmospheric novel is for you. Set in the coastal town of Inverkip in the north-west of Scotland, AVARICE is a straightforward murder mystery with more twists and turns than Spaghetti Junction. No blood, no gore, no serial killers! But it's a cracker. AVARICE is the second book by Pete Brassett to feature DI Munro and DS West, the detectives that first appeared in SHE. It's not a sequel and can be read as a standalone. However, those who have read SHE will have a head start on the characters' profiles. The third book, ENMITY, is also now available. Look out for Pete Brassett's many other titles on Kindle, including The Girl From Kilkenny, Prayer for the Dying and Kiss The Girls.

A serial killer is covering their tracks by framing innocent people. Can DI Munro guess the motive and save the investigation? When a young woman is found murdered in her flat, CCTV quickly points to a suspect. But when Andrew Stewart is brought in for questioning, his willingness to cooperate with Munro and West raises doubts about his guilt. When another body turns up, book-lover Andrew falls under suspicion once more. It will take the sharp wits of Detective Munro to look past the obvious clues, and uncover an elaborate ruse. With Andrew off the radar, they must follow a new line of investigation and everything seems to point to one of their own. If you like detective fiction with lots of twists and the challenge of working out the identity of the killer, ENMITY is for you. Set in the western Scottish town of Ayr, ENMITY is full of deadpan wit and plenty of surprises. The developing relationship between the detectives makes this Scandinavian-style novel stand out with its beautiful atmospheric setting, quick-fire dialogue and the plot that keeps you guessing right until the end. ENMITY is the third book by Pete Brassett to feature DI Munro and DS West, the first being SHE, followed by AVARICE. They can be enjoyed on their own, or as a series.

"I loved this suspense thriller, I got increasingly immersed. A real page turner." Detectives in a sleepy Irish town are baffled by a string of murders and a missing girl. Who was Nancy McBride and where did she disappear to? The cold-blooded murder of an American tourist in his hotel room has Detectives Hanagan and Molloy looking for a killer and a motive. But when the clues begin to point to the unimaginable, a story of loss, betrayal, and vengeance begins to unfold. If you like psychological suspense fiction with a twist THE GIRL FROM KILKENNY is for you. "What an unexpected ending! I could not put this gripping suspense down." "Irish wit aplenty in this clever psychological drama. A fresh and amusing style." Pete Brassett is the author of several works of fiction, all of which are available on Kindle. Readers who enjoy a conventional murder mystery with a twist should check out AVARICE and SHE, featuring Scottish Detective Inspector Munro and DS Charlie West. Read more Irish fiction in PRAYER FOR THE DYING.

coast of Québec with an emotionally charged new mystery. When a murder rocks the isolated community of Entry Island, insomniac homicide detective Sime Mackenzie boards a light aircraft at St. Hubert airfield bound for the small, scattered chain of Madeline Islands, in the Gulf of St. Lawrence, as part of an eight-officer investigation team from Montréal. Only two kilometers wide and three long, Entry Island is home to a population of just more than 100 inhabitants, the wealthiest of whom has just been discovered murdered in his home. Covered in her husband's blood, the dead man's melancholy wife spins a tale for the police about a masked intruder armed with a knife. The investigation appears to be little more than a formality--the evidence points to a crime of passion, implicating the wife. But Sime is electrified by the widow during his interview, convinced that he has met her before, even though this is clearly impossible. Haunted by this strange certainty, Sime's insomnia is punctuated by vivid, hallucinatory dreams of a distant past on a Scottish island 3,000 miles away, dreams in which he and the widow play leading roles. Sime's conviction soon becomes an obsession. And despite mounting evidence of the woman's guilt, he finds himself convinced of her innocence, leading to a conflict between the professional duty he must fulfill and the personal destiny he is increasingly sure awaits him.

With nothing left to lose, an Oxford don, an English lord, a society physician, and a chic French art dealer join forces to go after Harvey Metcalf, the expert in international stock fraud who took their money. Reprint.

"Absolutely brilliant. A real page-turner. Highly original. I could not put this thriller down." Chris Anderson A gripping murder mystery detective thriller that keeps you guessing until the end. Detective Inspector Munro is a burly Scottish policeman who doesn't suffer fools gladly. Detective Sergeant West is an intelligent young woman, new to the force, with a lot to prove. When a missing person case lands on their desks, Munro is skeptical there is much to it. But their investigation soon comes to some strange findings, and before long, a body is found. With a serial killer on their hands they must act fast to trace a woman placed at the scene of the crime. Yet discovering her true identity, let alone finding her, proves difficult. And as the plot thickens they realize the crime is far graver than either of them could have imagined. If you like crime fiction with a killer twist you will love SHE, the latest Scandinavian style suspense thriller by Pete Brassett. "When you read Brassett's books you enter a world you don't want to leave." Sally Heath PETE BRASSETT is the author of several crime fiction thrillers, all are available on Amazon Kindle: KISS THE GIRLS follows the story of a soldier who gets into trouble after returning home, traumatized by war. THE WILDER SIDE OF CHAOS is a racy fast paced international crime novel. THE GIRL FROM KILKENNY and PRAYER FOR THE DYING are both murder mysteries set in Ireland. BROWN BREAD is a farce about a family who literally get away with murder. * Look out for AVARICE and new release ENMITY, also featuring DI Munro and DS West.

FIRST IN A NEW SERIES! Hamelin, Vermont, isn't the most likely place for bagpipes and tartan, but at Peggy Winn's ScotShop, business is booming... While on a transatlantic hunt for some authentic wares to sell at her shop, Peggy is looking to forget her troubles by digging through the hidden treasures of the Scottish Highlands. With so many enchanting items on sale, Peggy can't resist buying a beautiful old tartan shawl. But once she wraps it around her shoulders, she discovers that her purchase comes with a hidden fee: the specter of a fourteenth-century Scotsman. Unsure if her Highland fling was real or a product of an overactive imagination, Peggy returns home to Vermont—only to find the dead body of her ex-boyfriend on the floor of her shop. When the police chief arrests Peggy's cousin based on some incriminating evidence, Peggy decides to ask her haunting Scottish companion to help figure out who really committed the crime—before anyone else gets kilt...

In this “miraculous and thrilling” (Diane Setterfield, #1 New York Times bestselling author) mystery for fans of *The Essex Serpent* and *The Book of Speculation*, Victorian London comes to life as an intrepid female sleuth wades through a murky world of collectors and criminals to recover a remarkable child. Bridie Devine—flame-haired, pipe-smoking detective extraordinaire—is confronted with the most baffling puzzle yet: the kidnapping of Christabel Berwick, secret daughter of Sir Edmund Athelstan Berwick, and a peculiar child whose reputed supernatural powers have captured the unwanted attention of collectors in this age of discovery. Winding her way through the sooty streets of Victorian London, Bridie won’t rest until she finds the young girl, even if it means unearthing secrets about her past that she’d rather keep buried. Luckily, her search is aided by an enchanting cast of characters, including a seven-foot-tall housemaid; a melancholic, tattoo-covered ghost; and an avuncular apothecary. But secrets abound in this foggy underworld where nothing is quite what it seems. Blending darkness and light, *Things in Jars* is a stunning, “richly woven tapestry of fantasy, folklore, and history” (Booklist, starred review) that explores what it means to be human in inhumane times.
