First published in 1957 in Poland, Bacacay is a collection of twelve short stories by Witold Gombrowicz (1904-1968), one of the major European literary figures of the 20th century.

Bacacay by Witold Gombrowicz - Goodreads

Bacacay (Polish: Bakakaj) is a short story collection by the Polish writer Witold Gombrowicz. The stories were originally published in 1933, in an edition called Pamiętnik z okresu dojrzewania ("Memoirs from puberty" or lit. "Memoirs from the time of immaturity"), which was Gombrowicz's literary debut.

Bacacay by Witold Gombrowicz (2010-02-04): Amazon.com: Books

Gombrowicz is a fantasist, but his work is clearly grounded both in reality and autobiography. Besides the seven stories from his first book, Bacacay collects two free-standing stories from his novel *Ferdydurke*, and three previously published but uncollected stories. It makes for a good introduction to the author, and some fine -- if often unusual -- entertainment.

Bacacay - Witold Gombrowicz - Complete Review

Bacacay is the name of a street in one of the Buenos Aires suburbs Gombrowicz inhabited in 1939, early in his time in Argentina. In Polish, Witold Gombrowicz transformed the original spelling of the street name from "Bacacay" (the Indian name of a battle) to "Bakakaï" in order to aid its proper pronunciation in that language

Introduction - Witold Gombrowicz

Bacacay was Gombrowicz's first book, or almost. His first book contained seven of the twelve stories here, published as the eminently translatable *Recollections of Adolescence* in 1933.

Witold Gombrowicz: Bacacay | Asylum

Bacacay is one of the most remarkable collections of stories in world literature." The *Globe and Mail* "This version of Bacacay raises the bar for all Gombrowicz translations and makes an excellent introduction for readers new to his tragicomic world." The *Nation* "As in Gombrowicz's airily bizarre novels . . . lucid, concise narra-

Bacacay Witold Gombrowicz A

Witold Gombrowicz, *Bacacay* (transl. Bill Johnston. Archipelago, 2006) I am a very late comer to Gombrowicz – through a casual remark by Tokarczuk in an interview to FAZ, saying that in her view he merited a Nobel. He did not – his writing is too self-referential, bordering on narcissism. But a great writer, nonetheless, he is.

Three Short Stories from Babacay by Witold Gombrowicz. (1928) French version : *Le festin chez la Comtesse Fritouille et autres nouvelles*. Translated

from the Polish by Georges Sédur. French publisher Folio has this collection of little books at 2€ each to make reader discover forgotten texts or try new writers.

A balloonist finds himself set upon by erotic lepers...a passenger on a ship notices a human eye on the deck...a group of aristocrats enjoy a vegetarian dish made from human flesh...a virginal young girl gnaws raw meat from a bone...a notorious ruffian is terrorized by a rat. Welcome to the bizarre universe of Witold Gombrowicz, whose legendary short story collection is presented here for the first time in English. These tales, hilarious, disturbing, and brilliantly written, are utterly unique in world literature. After reading them, you'll never be the same.

A balloonist finds himself set upon by erotic lepers...a passenger on a ship notices a human eye on the deck...a group of aristocrats enjoy a vegetarian dish made from human flesh...a virginal young girl gnaws raw meat from a bone...a notorious ruffian is terrorized by a rat. Welcome to the bizarre universe of Witold Gombrowicz, whose legendary short story collection is presented here for the first time in English. These tales, hilarious, disturbing, and brilliantly written, are utterly unique in world literature. After reading them, you'll never be the same.

In this bitterly funny novel by the renowned Polish author Witold Gombrowicz, a writer finds himself tossed into a chaotic world of schoolboys by a diabolical professor who wishes to reduce him to childishness. Originally published in Poland in 1937, *Ferdydurke* became an instant literary sensation and catapulted the young author to fame. Deemed scandalous and subversive by Nazis, Stalinists, and the Polish Communist regime in turn, the novel (as well as all of Gombrowicz's other works) was officially banned in Poland for decades. It has nonetheless remained one of the most influential works of twentieth-century European literature. *Ferdydurke* is translated here directly from the Polish for the first time. Danuta Borhardt deftly captures Gombrowicz's playful and idiosyncratic style, and she allows English speakers to experience fully the masterpiece of a writer whom Milan Kundera describes as "one of the great novelists of our century."

A landmark autobiography written by a Polish expatriate living in Argentina is presented in a single-volume edition, now with previously unpublished pages restored. Original.

"Gombrowicz is one of the most original and gifted writers of the twentieth century: he belongs at the very summit, at the side of his kindred spirits, Kafka and Celine." *The Washington Post*

George Sand was the most famous, and the most scandalous, woman in nineteenth-century France. As a writer, she was enormously prolific: she wrote more than ninety novels, thirty-five plays, and thousands of pages of autobiography. She inspired writers as diverse as Flaubert and Proust but is often remembered for her love affairs with such figures as Musset and Chopin. Her affair with Chopin is the most notorious: their nine-year relationship ended in 1847 when Sand began to suspect that the composer had fallen in love with her daughter, Solange. Drawing on archival sources, much of it neglected by Sand's previous biographers, Elizabeth Harlan examines the intertwined issues of maternity and identity that haunt Sand's writing and defined her life. Why was Sand's relationship with her daughter so fraught? Why was a woman so famous for her personal and literary audacity ultimately so conflicted about women's liberation? In an effort to solve the riddle of Sand's identity, Harlan examines a latticework of lives that include Solange, Sand's mother and grandmother, and Sand's own protagonists, whose stories amplify her own.

In the pre-World War II period--an era marked by the crumbling aristocracy--two young people searching for their identities become involved in the ancient struggle between good and evil

Here are two major works by the famed Polish novelist and dramatist Witold Gombrowicz. The first, *Cosmos*, a metaphysical thriller, revolves around an absurd investigation. It is set in provincial Poland and narrated by a seedy, pathetic, and witty student, who is charming and appalling by turns, and whose voice is dense with the richly palpable description that characterizes Gombrowicz's writing. The second, *Pornografia*, explores the sinister effect the young can have on the old. To serve their own secret eroticism, two aging intellectuals encourage a young couple to commit murder. Although the adolescents are the weapons used to commit the crime, the four become conspirators before the deed is done.

Witold Gombrowicz (1904-1969) was born and lived in Poland for the first half of his life but spent twenty-four years as an émigré in Argentina before returning to Europe to live in West Berlin and finally Vence, France. His works have always been of interest to those studying Polish or Argentinean or Latin American literature, but in recent years the trend toward a transnational perspective in scholarship has brought his work to increasing

prominence. Indeed, the complicated web of transnational contact zones where Polish, Argentinean, French and German cultures intersect to influence his work is now seen as the appropriate lens through which his creativity ought to be examined. This volume contributes to the transnational interpretation of Gombrowicz by bringing together a distinguished group of North American, Latin American, and European scholars to offer new analyses in three distinct themes of study that have not as yet been greatly explored – Translation, Affect and Politics. How does one translate not only Gombrowicz's words into various languages, but the often cultural-laden meaning and the particular style and tone of his writing? What is it that passes between author and reader that causes an affect? How did Gombrowicz's negotiation of the turbulent political worlds of Poland and Argentina shape his writing? The three divisions of this collection address these questions from multiple perspectives, thereby adding significantly to little known aspects of his work.

Although Witold Gombrowicz's unique, idiosyncratic writings include a three-volume Diary, this voluminous document offers few facts about his early life in Poland before his books were banned there and he went into voluntary exile. Polish Memories—a series of autobiographical sketches Gombrowicz composed for Radio Free Europe during his years in Argentina in the late 1950s—fills the gap in our knowledge. Written in a straightforward way without his famous linguistic inventions, the book presents an engaging account of Gombrowicz's childhood, youth, literary beginnings, and fellow writers in interwar Poland and reveals how these experiences and individuals shaped his seemingly outlandish concepts about the self, culture, art, and society. In addition, the book helps readers understand the numerous autobiographical allusions in his fiction and brings a new level of understanding and appreciation to his life and work.
