~~Backstabbing for Beginners—Wikipedia~~

He became famous for his 2008 book Backstabbing for Beginners: My Crash Course in International Diplomacy, about the widespread corruption and financial abuse, at the highest levels, that he found while working for the Oil-for-Food Program under the United Nations in Iraq.

~~Michael Soussan—Wikipedia~~

By all means, Backstabbing for Beginners is a very fine book about a dramatic episode in United Nations history. The special introspection of a vulnerable UN freshman marries happily the inquisitive instinct of a journalist. The narration is animated by an appealing style, where truth, despite common wisdom, does not have a scratched face.

Soon to be a major motion picture starring Ben Kingsley and Theo James, the gripping true story of a young program coordinator at the United Nations who stumbles upon a conspiracy involving Iraq's oil reserves. "What made this episode in our collective history possible was not so much the lies we told one another, but the lies we told ourselves." A recent Brown University graduate, Michael Soussan was elated when he landed a position as a program coordinator for the United Nations' Iraq Program. Little did he know that he would end up a whistleblower in what PBS NewsHour described as the "largest financial scandal in UN history." Breaking a conspiracy of silence that had prevailed for years, Soussan sparked an

unprecedented corruption probe into the Oil-for-Food program that exposed a worldwide system of bribes, kickbacks, and blackmail involving ruthless power-players from around the globe. At the crossroads of pressing humanitarian concerns, crisis diplomacy, and multibillion-dollar business interests, Soussan's story highlights core flaws of our international system and exposes the frightening, corrupting power of the black elixir that fuels our world's economy.

A riveting, first-person account of the backstabbing and hypocrisy that led to the U.N.'s Oil-for-Food Program becoming the most corrupt enterprise ever overseen by the international community.

Explore the magical world where nature spirits dwell From sprites to will-o'-the-wisps, this practical beginner's guide introduces you to a wide assortment of wild and wondrous creatures. Discover how to attract faeries and elementals to your home and garden, as well as how to befriend them. Along with step-by-step instructions for safely finding and interacting with these powerful creatures, you'll also learn how to: Identify faeries and elementals associated with each of the four classic elements—air, fire, water, and earth Perform rituals, meditations, and exercises that help you connect with nature spirits on a personal level Request help from faeries and elementals for healing, protection, getting a job, attracting love, and more Determine what roles nature spirits play in folklore and magic throughout the world

Over a half-million sold! The sequel, The Unicorn Project, is coming Nov 26 “ Every person involved in a failed IT project should be forced to read this book. ” —TIM O ’ REILLY, Founder & CEO of O ’ Reilly Media “ The Phoenix Project is a must read for business and IT executives who are struggling with the growing complexity of IT. ” —JIM WHITEHURST, President and CEO, Red Hat, Inc. Five years after this sleeper hit took on the world of IT and flipped it on its head, the 5th Anniversary Edition of The Phoenix Project continues to guide IT in the DevOps revolution. In this newly updated and expanded edition of the bestselling The Phoenix Project, co-author Gene Kim includes a new afterword and a deeper delve into the Three Ways as described in The DevOps Handbook. Bill, an IT manager at Parts Unlimited, has been tasked with taking on a project critical to the future of the business, code named Phoenix Project. But the project is massively over budget and behind schedule. The CEO demands Bill must fix the mess in ninety days or else Bill's entire department will be outsourced. With the help of a prospective board member and his mysterious philosophy of The Three Ways, Bill starts to see that IT work has more in common with a manufacturing plant work than he ever imagined. With the clock ticking, Bill must organize work flow streamline interdepartmental communications, and effectively serve the other business functions at Parts Unlimited. In a fast-paced and entertaining style, three luminaries of the DevOps movement deliver a story that anyone who works in IT will recognize. Readers will not only learn how to improve their own IT organizations, they'll never view IT the same way again. “ This book is a gripping read that captures brilliantly the dilemmas that face companies which depend on IT, and offers real-world solutions. ” —JEZ HUMBLE, Co-author of Continuous Delivery, Lean Enterprise, Accelerate, and The DevOps Handbook ——— “ I ’ m delighted at how The Phoenix Project has reshaped so many conversations in technology. My goal in writing The Unicorn Project was to explore and reveal the necessary but invisible structures required to make developers (and all engineers) productive, and reveal the devastating effects of technical debt and complexity. I hope this book can create common ground for technology and business leaders to leave the past behind, and co-create a better future together. ” —Gene Kim, November 2019

In Michael Sandel the Chinese have found a guide through the ethical dilemmas created by their swift embrace of a market economy—one whose communitarian ideas resonate with China ’ s own rich, ancient philosophical traditions. This volume explores the connections and tensions revealed in this unlikely episode of Chinese engagement with the West.

Don't miss this New York Times bestselling "impossible to put down" (Buzzfeed) novel with deadly stakes, thrilling twists, and juicy secrets--perfect for fans of One of Us is Lying and Knives Out. Avery Grambs has a plan for a better future: survive high school, win a scholarship, and get out. But her fortunes change in an instant when billionaire Tobias Hawthorne dies and leaves Avery virtually his entire fortune. The catch? Avery has no idea why -- or even who Tobias Hawthorne is. To receive her inheritance, Avery must move into sprawling, secret passage-filled Hawthorne House, where every room bears the old man's touch -- and his love of puzzles, riddles, and codes. Unfortunately for Avery, Hawthorne House is also occupied by the family that Tobias Hawthorne just dispossessed. This includes the four Hawthorne grandsons: dangerous, magnetic, brilliant boys who grew up with every expectation that one day, they would inherit billions. Heir apparent Grayson Hawthorne is convinced that Avery must be a conwoman, and he's determined to take her down. His brother, Jameson, views her as their grandfather's last hurrah: a twisted riddle, a puzzle to be solved. Caught in a world of wealth and privilege, with danger around every turn, Avery will have to play the game herself just to survive.

One of the Best Books of the Year: Janet Maslin, The New York Times Vulture NPR "Social Creature is a wicked original with echoes of the greats (Patricia Highsmith, Gillian Flynn)." —Janet Maslin, The New York Times For readers of Gillian Flynn and Donna Tartt, a dark, propulsive and addictive debut thriller, splashed with all the glitz and glitter of New York City.

They go through both bottles of champagne right there on the High Line, with nothing but the stars over them... They drink and Lavinia tells Louise about all the places they will go together, when they finish their stories, when they are both great writers-to Paris and to Rome and to Trieste... Lavinia will never go. She is going to die soon. Louise has nothing. Lavinia has everything. After a chance encounter, the two spiral into an intimate, intense, and possibly toxic friendship. A Talented Mr. Ripley for the digital age, this seductive story takes a classic tale of obsession and makes it irresistibly new.

Crazy Rich Asians is the outrageously funny debut novel about three super-rich, pedigreed Chinese families and the gossip, backbiting, and scheming that occurs when the heir to one of the most massive fortunes in Asia brings home his ABC (American-born Chinese) girlfriend to the wedding of the season. When Rachel Chu agrees to spend the summer in Singapore with her boyfriend, Nicholas Young, she envisions a humble family home, long drives to explore the island, and quality time with the man she might one day marry. What she doesn't know is that Nick's family home happens to look like a palace, that she'll ride in more private planes than cars, and that with one of Asia's most eligible bachelors on her arm, Rachel might as well have a target on her back. Initiated into a world of dynastic splendor beyond imagination, Rachel meets Astrid, the It Girl of Singapore society; Eddie, whose family practically lives in the pages of the Hong Kong socialite magazines; and Eleanor, Nick's formidable mother, a woman who has very strong feelings about who her son should--and should not--marry. Uproarious, addictive, and filled with jaw-dropping opulence, Crazy Rich Asians is an insider's look at the Asian JetSet; a perfect depiction of the clash between old money and new money; between Overseas Chinese and Mainland Chinese; and a fabulous novel about what it means to be young, in love, and gloriously, crazily rich.

An aspiring writer and reporter, Karol Nielsen went trekking through the Peruvian Andes at the height of the Shining Path terror, looking for adventure and a good story. She found Aviv, an Israeli traveler fresh out of his mandatory military service—a war-weary veteran of the first intifada—dreaming about peace. Black Elephants follows this idealistic pair as they explore the Americas, until Aviv, inexorably drawn to his homeland, asks Karol to come with him to Israel. There, the couple's lovingly laid plans—for Aviv to attend university, and for Karol to work on a kibbutz, study Hebrew, and get to know his family—are suddenly tested by the eruption of the first Gulf War. Nielsen's memoir paints a poignant and harrowing picture of love during wartime. Against a backdrop of bursting bombs and air-raid sirens, gas masks and sealed rooms, relationships are frayed, and romance becomes a distant memory. This story, so candidly and clearly told, powerfully illustrates the terror, loneliness, and absurdity of war and its invisible casualties.
