An informative resource for formal studies of the Prydain Chronicles, as well as an excellent opportunity to delve into the fantastic workings of Prydain "The Prydain Companion is more than a quick reference or handy glossary, though it is all of that as well. Instructive, certainly. But, like any good companion, a pleasure to be with over a long period of time." –Lloyd Alexander, from the foreword This intriguing volume is at once a wonderful reference resource and a vehicle for exploration and discovery in itself.
