Having an inoculation in mid-twentieth-century MENA (Middle East and North African) politics before spying through Waguih Ghali's novel Beer in the Snooker Club helped me in already having an understanding of what this author was saying without having to do extraneous research, though in this novel it is best to know specifically about the Egyptian turmoil between the rule of Nasser and Sadat, with more of a focus on Nasser, for that political background provides the setting in which the events

Waguih Ghali's 1964 semi-autobiographical novel "Beer in the Snooker Club" is an idiosyncratic piece of literature, written in English by an Egyptian Christian whose language style shares much with the mid-century American misanthropic tone of Walker Percy and J.D. Salinger.

Beer in the Snooker Club is so clearly autobiographical that not only do the details of Ram's life match Ghali's but the man that Diana Athill, Ghali's editor, describes in her introduction as "Gazelle-like" is immediately recognizable as the narrator who is so immediately disarming. Ghali himself committed suicide only a few years after completing the novel, and because it is so easy to conflate Ram with his creator, learning of Ghali's suicide becomes the novel's tragic epilogue.

Waguih Ghali was raised in Cairo but spent much of his adult life studying and working in Europe. In Beer in the Snooker Club, Ghali chronicles the lives of Cairo's upper crust who, after the fall of King Farouk, are thoroughly unprepared to change its neo-feudal ways. Beer in the Snooker Club was the only book written by Ghali before his suicide in 1968. "Ghali's novel reproduces a cultural state of shock with great accuracy and great humor." James Marcus of The Nation

Set amidst the turbulence of 1950s Cairo, Beer in the Snooker Club is the story of Ram Bey, an over-educated, under-ambitious young Egyptian struggling to find out where he fits in. Ram's favorite haunt is the fashionable Cairo Snooker Club, whose members strive to emulate English gentility; but his best friends are young intellectuals who devour the works of Sartre and engage in dangerous revolutionary activities to support Egyptian independence. By turns biting and comic, Beer in the Snooker Club — the first and only book by Waguih Ghali — became a cult classic when it was first published and remains a timeless portrait of a loveable rogue coming of age in turbulent times.

This reissue of the late Waguih Ghali's only novel makes us mourn his loss all the more keenly. A plainspoken writer of consummate wryness, grace, and humor, the Egyptian author chronicles the lives of a polyglot Cairene upper crust, shortly after the fall of King Farouk, who are thoroughly unprepared to change their neo-feudal ways. This is the best book to date about post-Farouk Egypt.—Sylvie Drake, Los Angeles Times

One of the great World War I antiwar novels—honest, chilling, and brilliantly satirical Based on the author's experiences on the Western Front, Richard Aldington's first novel, *Death of a Hero*, finally joins the ranks of Penguin Classics. Our hero is George Winterbourne, who enlists in the British Expeditionary Army during the Great War and gets sent to France. After a rash of casualties leads to his promotion through the ranks, he grows increasingly cynical about the war and disillusioned by the hypocrisies of British society. Aldington's writing about Britain's ignorance of the tribulations of its soldiers is among the most biting ever published. *Death of a Hero* vividly evokes the morally degrading nature of combat as it rushes toward its astounding finish. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

An Egyptian youth, with little ambition and no money, lives *la dolce vita* in modern Cairo.

The first novel from award-winning author Gianfranco Calligarich to be published in English, *Last Summer in the City* is a witty and despairing classic of Italian literature. Biting, tragic, and endlessly quotable, this translated edition features an introductory appreciation from longtime fan New York Times bestselling author André Aciman. In a city smothering under the summer sun and an overdose of *la dolce vita*, Leo Gazarra spends his time in an alcoholic haze, bouncing between run-down hotels and the homes of his rich and well-educated friends, without whom he would probably starve. At thirty, he's still drifting: between jobs that mean nothing to him, between human relationships both ephemeral and frayed. Everyone he knows wants to graduate, get married, get rich—but not him. He has no ambitions whatsoever. Rather than toil and spin, isn't it better to submit to the alienation of the Eternal City, Rome, sometimes a cruel and indifferent mistress, sometimes sweet and sublime? There can be no half measures with her, either she's the love of your life or you have to leave her. First discovered by Natalia Ginzburg, *Last Summer in the City* is a forgotten classic of Italian literature, a great novel of a stature similar to that of *The Great Gatsby* or *The Catcher in the Rye*. Gianfranco Calligarich's enduring masterpiece has drawn comparisons to such writers as Truman Capote, Ernest Hemingway, and Jonathan Franzen and is here made available in English for the first time.

The “highly entertaining and thoroughly reprehensible” #1 New York Times bestseller—now with sixteen pages of photos and a new introduction (The New York Times). My name is Tucker Max, and I am an asshole. I get excessively drunk at inappropriate times, disregard social norms, indulge every whim, ignore the consequences of my actions, mock idiots and posers, sleep with more women than is safe or reasonable, and just generally act like a raging dickhead. But, I do contribute to humanity in one very important way: I share my adventures with the world. --from the Introduction Actual reader feedback: "I find it truly appalling that there are people in the world like you. You are a disgusting, vile, repulsive, repugnant, foul creature. Because of you, I don't believe in God anymore. No just God would allow someone like you to exist." "I'll stay with God as my lord, but you are my savior. I just finished reading your brilliant stories, and I laughed so hard I almost vomited. I want to bring that kind of joy to people. You're an artist of the highest order and a true humanitarian to boot. I'm in both shock and awe at how much I want to be you."

The Arab Spring uprising of 2011 is portrayed as a dawn of democracy in the region. But the revolutionaries were—and saw themselves as—heirs to a centuries-long struggle for just government and the rule of law. In *Justice Interrupted* we see the complex lineage of political idealism, reform, and violence that informs today's Middle East.

This is the story of how and why a talented writer came to kill himself. When Diana Athill met the man she calls Didi, an Egyptian in exile, she fell in love instantly and out of love just as fast. Didi moved into her flat, they shared housework and holidays, and a life of easy intimacy seemed to beckon. But Didi's sweetness and intelligence soon revealed a darker side - he was a gambler, a drinker and a womanizer, impossible to live with but impossible to ignore. With painful honesty, Athill explores the three years they spent together, a period that culminated in Didi's suicide - in her home - an event he described in the journals he left for her to read as 'the one authentic act of my life'.
