Bank Safe Solutions

Protein solution is added and electric field is reapplied. After staining, proteins are shown to be distributed along pH gradient according to their pI values. A stable pH gradient is established in the gel after application of an electric field. An ampholyte solution is pH 9 incorporated into a gel.

Biochemistry 1st Canadian edition guides students through course concepts in a way that reveals the beauty and usefulness of biochemistry in the everyday world from a unique Canadian context. Biochemistry is a living science that touches every aspect of our lives and this book ensures students are made aware of the significance and interdisciplinary nature of this subject; questions posed at the beginning of each
