Biology: A Global Approach, Global Edition: Edition 10 by ...

Biology, while super informative and exciting to science junkies, can be a little dry. It can also be pretty intimidating. However, we're going to look at the light side: biology jokes! We definitely need to insert humor into biology. However, not literally into our biology. That could be painful. Or gassy. We've scoured the web ☹

connections / Neil A. Campbell, , , et  
al. c2009.

The authors have updated each of the books eight units to reflect the progress in our understanding of life at many levels, from molecules to ecosystems. The sixth edition has a new chapter that introduces students to science as a way of knowing nature. A new feature highlights examples of the process of science throughout the book, and each chapter contains a process of science question that encourages students to experience science. Media activites allow additional practice with experimentation and analysis of data, and interviews with various researchers humanize science as a social activity.
