"Bitten" by Robert Farrell Smith is not about vampires. "Bitten" is about 19 year old Trust Williams and his mission to Thelma's Way, Tennessee. Trust is sent to a small town in the back hills of Tennessee. The town is full of way-ward Mormons who have gone inactive thanks to a local apostate who is blamed for stealing the town Book of Mormon.

Bitten : a romantic comedy (Book, 2008) [WorldCat.org]

This is a great romantic comedy. A humorous take on Mormon cultural quirkiness, and an insightful portrayal about the good in people that society often looks down on (peculiar people). I like the more popular Leven Thumps, obviously it has a broader market, but Smith is a better story teller in this series than he is in Leven Thumps.

When Trust Williams completes his two-year mission in Thelma's Way, Tennessee, he finds he cannot break his connection to the people there, especially Grace Heck, who comes back home with him to Southdale so they can see if they have a future together, despite his parents' objections.

After nearly killing her latest date, one-fourth vampire Emma Brandt finds herself back in the Vampire Community, whether she likes it or not. Throw in her nosy family, Vampire Security on her speed dial, and an ex-boyfriend who wants a second chance at forever, and you have chick lit with some bite. And Then He Bit Me is a 40,000 word short novel. Keywords: romcom, romantic comedy, sweet romance, contemporary romance, vampire romance, supernatural romance, ex-boyfriend, second chances, vampire hunter, dating, matchmaking, chick lit, novella, short novel, novel, humor, vampire love story, paranormal love story, supernatural love story, contemporary love story, sweet love story, flirt, crush, curvy, plus-size, full-figure

'I love the fact that Robert Bryndza can turn his hand to both crime thrillers and comedy! If you haven't discovered Coco Pinchard yet then this is the perfect introduction!' Joanne Robertson, My Chestnut Reading Tree After a tumultuous divorce, Coco Pinchard has found love with the gorgeous, hunky, four-years-younger-than-her-so-technically-a-toy-boy, Adam. Her career as an author is finally a success, and she has fabulous friends in Christopher, a neurotic middle-aged socialite, and Marika, a slightly alcoholic dog walker. Coco is even learning to cope with her awful ex mother-in-law, Ethel, who despite the divorce, still thinks it's fine to criticise, especially when Coco and Adam decide to take the next step, and move in together... But hours before move-in day, Adam ends their relationship without explanation and disappears. After the initial shock and anger (and an 'I told you so' from Ethel) Coco sets out to discover what has really happened, and uncovers a shocking secret Adam has been hiding from her... Full of hilarious twists and turns, Coco Pinchard's Big Fat Tippy Wedding is a witty, heart-warming, romantic comedy - the stand-alone sequel to no.1 bestselling, The Not So Secret Emails of Coco Pinchard. What people are saying about The Coco Pinchard Series: 'I truly enjoyed every minute of my foray into Rom-Com, and the wacky world of Coco Pinchard!' Lorraine Rugman- The Book Review Café 'Another great read from Robert Bryndza - he just knows how to make us keep turning those pages!' Lu, Amazon Reader 'So refreshing not to have a cliché rom-com where you know exactly how everything is going to pan out! If you want a great British comedy give this a read!' LL Colmer, Amazon Reader 'Bryndza tells the story as if you are sitting with your girlfriends exchanging bits of wisdom. The write up was correct. I do not often laugh-out-loud at books, but I sure did while reading this one!' Gail Joramo, Amazon Reader 'You think you've got problems? Trust me, they are nothing compared to what Coco Pinchard has! And how the author of this marvel manages to achieve such a level of hilarity while Coco goes from one disaster to another is the mark of true creative genius. This novel, told totally in entertaining emails, is laugh-out-loud funny.' Mayda, Amazon Reader 'What an outstanding read!! I laughed, cried and cringed alongside Coco, the main character in this pacy story. I loved the way the tale unfolded through a succession of emails...a format that worked brilliantly!' Amy, Amazon Reader 'Full of humour and twists of fate. A happy ending too. Women will love this at any age.If you are mature you will empathise with Ethel, if you are divorced or in love with a toy boy, you will empathise with Coco. I could not put it down and read through the night.' Susanne Rooney, Amazon Reader. 'Loved this so much, funny and enjoyable. If you are going on holiday buy all three before you get to the beach or you will go nuts not being able to get the others before you get home. It is amazingly written by a man, who knew? Bryndza seems to be able to get into the head of women better than most other women. He has zeroed in on us and done it well!' FeatherOnAWire, Amazon top 100 reviewer 'A real feel-good book, you just don't want it to end. Definitely a five star rating!' AlisonSmith, Amazon Reader 'Witty and very British humor. Sad moments to break your heart. A must read!' Janet A.Staniec, AmazonReader

A tribute to the popular book and movie series provides coverage of a range of topics, from the process through which the books were published to how they were adapted for the screen, in a fan's reference that also includes cast biographies and event information.

Australian girls obsessed with vampires will love this wickedly funny guide to dating guys with fangs, written by comedian and TV personality Claire Hooper. It's the perfect follow-on read for fans of 'Nightlight'. We know that vampires exist, and that we really, really want one. So how can you score your own gorgeous immortal? And how do you keep a relationship alive when your partner is one of the eternal undead? Claire Hooper has a wealth of experience when it comes to dating guys who can't go out in sunlight, aren't suitable to introduce to your parents, and quite possibly have blood on their hands. In Love Bites she shares her insider's knowledge, taking you from go to whoa to vampire ho by answering questions such as: 'He's been around for hundreds of years. Are there any pick-up lines he hasn't heard?' 'I know vampires are really into virgins. Can I just tell him I am one? Or will he read my mind and find out the truth?' 'Does aloe vera work on fang holes? I need these ones to clear up fast, cos I have to wear an evening dress to a black-tie event next week.' 'If, like you say, he's watching me when I sleep, does that mean he's watching me when I pee?' If it all goes according to plan, you'll also need to know how to wean him onto animal

blood, where to put his coffin, and how to resolve that all-important eternal life question - will you, or won't you?

This book is about how the representations of romantic love in television reflect the change and the dilemma of the dominant values in post-socialist Chinese mainstream culture. These values mainly center on the impact of individualism, consumerism, capitalism, and neoliberalism, often referred to as western culture, on the perception of romantic love and self-realization in China. The book focuses on how romantic love, which plays a vital role in China's ideologically highly restricted social environment by empowering people with individual choice, change, and social mobility, must struggle and compromise with the reality, specifically the values and problems emerging in a transitional China. The book also examines how the representation of romantic love celebrates ideals—individual freedom, passion, and gender equality—and promises changes based on individual diligence and talent while simultaneously obstructing the fulfillment of these ideals.

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.
