Black Butler, Vol. 4 - Yana Toboso - 9780316084284

I know not many people like my Black Butler Vol 3 review, but I did find the stooge characters over the top, and taking up way too much of the story. Vol 4 was excellent though. I really like the way Black Butler's story line is going, and the how we're learning more about Ciel's past (dark dark dark). We also are introduced to new `interesting' characters and though one of them, the Prince ...

17 January 2013 Ciel is sent on a mission to uncover the mystery of missing children in Black Butler, Vol. 6 . The children coincidentally disappear around the same time that the traveling Noah's Ark Circus arrives in town, so Ciel and Sebastian must go undercover to solve the case. The mystery and humor was nicely balanced in this volume. I enjoyed Ciel's humbling training a little too much ...

After a rash of bizarre attacks on British citizens returning from India, Ciel and Sebastian are called in to investigate and come face-to-face with a young Indian prince and his extraordinary butler.

London - the capital of the Great Empire - is once again under siege, as a string of bizarre attacks on British citizens returned from India sends rumours flying and casts a pall upon Queen Victoria's rule. Sent in by Her Majesty, young Earl Phantomhive and his most capable butler, Sebastian, follow a trail that collides head-on with an Indian youth who claims to be a prince. And this prince possesses an extraordinary butler of his own! As an intense rivalry between the two butlers begins to form, will the kitchen be the dueling duo's final battleground?!

In the heart of London stands Sphere Music Hall, a venue that enjoys immense popularity amongst the populace. However, the fervour with which its visitors return causes consternation in the mind of Her Majesty, Queen Victoria, who suspects the organisation of cult practices and sends Earl Ciel Phantomhive and his impeccable butler, Sebastian, to infiltrate the hall. They are met with none other than the disgraced erstwhile prefects of Weston College and an otherworldly fortune-teller called Blavat, who takes one look at Sebastian and divines his true nature without faltering...!

Just a stone's throw from London lies the manor house of the illustrious Phantomhive earldom and its master, one Ciel Phantomhive. Earl Phantomhive is a giant in the world of commerce, Queen Victoria's faithful servant...and a slip of a twelve-year-old boy. Fortunately, his loyal butler, Sebastian, is ever at his side, ready to carry out the young master's wishes. And whether Sebastian is called to save a dinner party gone awry or probe the dark secrets of London's underbelly, there apparently is nothing Sebastian cannot do. In fact, one might even say Sebastian is too good to be true...or at least, too good to be human...

For an impeccable gentleman's butler like Sebastian Michaelis, the word "impossible" is just not in his vocabulary. Everything demanded of him under the English sun is well within his grasp. But do his talents extend to things under the scalding Indian sun?! As Harold West-Jeb's plan to use Agni, Prince Soma's superhuman butler, in a curry battle to win himself a Royal Warrant is exposed, Earl Ciel Phantomhive sets Sebastian to the task of creating an incomparable curry to defeat the despicable West-Jeb. But how can Ciel's devil of a butler possibly best Agni, the man with the Right Hand of God?!

While Earl Ciel Phantomhive, accompanied by his indomitable butler, Sebastian, is away on the trail of his quarry, Blavat, the sound of gunshots rends the silence of his London town house. A scene of carnage awaits master and servant upon their return, along with a chilling message from the forgotten past that shakes the young earl to his core...

Earl Ciel Phantomhive's quietude is interrupted as Queen Victoria's very own butlers commander Phantomhive Manor for a lavish banquet sanctioned by Her Majesty. Preparations for such an event are quick work in the hands of Sebastian, the house's most able butler, but corralling the eminent guests may prove to be rather more of a challenge. For this dinner party is anything but festive, and as a stormy night batters the outside of the grand residence, a far more violent storm begins to unfurl within. And no one is safe from the havoc it will wreak-not even one seemingly impervious manservant...

The cheer of the holidays has passed, but the Noah's Ark traveling circus has been making the rounds, bringing fun and joy to children of all ages. However, as the ringmaster's cries fade away, a disturbing trend begins to surface in the wake of the colourful entourage. Children seem to disappear whenever the circus packs up for its next destination, and there are no clues...or corpses...to be found. But when the situation calls for Ciel and Sebastian to infiltrate the big top, will Sebastian's inhuman skills be enough to see him and his young master through a treacherous tightrope act that may well end in death?

The decks of the Campania run red with blood when the corpses brought back to a semblance of life by the Aurora Society's "absolute salvation" turn on the ship's passengers in a ghoulish farce. With their investigation waylaid by this primitive struggle for survival, Earl Ciel Phantomhive and his exceptional butler, Sebastian, are trapped at the mercy of both the unnatural and Mother Nature herself. For even as dead feet shuffle along the opulent decks of the luxury liner in search of living prey, in the distance there looms before the cursed vessel a massive iceberg that glows and crackles eerily in the gloom of night...

Terrorizing its populace, Jack the Ripper has shaken London to its very core. But when Sebastian Michaelis, singular butler of the Phantomhive house, lays bare the madman's true identity, all that is left for him to do is eliminate the perpetrator in the name of the Queen and Phantomhive. But inhumanly efficient skills don't guarantee victory when the opponent is just as supernaturally gifted! And though Sebastian may be able to save Ciel from physical harm in the battle that ensues, will the young earl ever recover from the emotional scars it will leave on his heart?
