Could you find your soul mate in thirteen worlds... would you survive long enough to claim them? From the NYT bestselling author of A TERRIBLE LOVE.

In this electrifying New York Times ebook and USA Today bestseller from rising star of dark and sizzling new adult novels Marata Eros, a former ballerina struggles to hide her painful past—only to discover she’s not the only one with secrets. "We’re terrible together. . . ." Jess Mackey’s whole life is a meticulously fabricated lie. She escaped the violent tragedy of her past and is forging ahead with a clean slate far removed from her powerful political family and its dark secrets. But Jess can’t ignore her passions—not her love for ballet, nor her tumultuous desire for the unexpected lover who threatens to jeopardize her carefully constructed identity. Love does no harm. . . . Devin Castile is all sex-and-hotness wrapped up in a dangerous package. Jess worked hard to leave danger behind. But she wants Cas as much as the girl she once was longs to be free. Convinced they can keep their messy emotions at bay, Jess and Cas indulge their wildest fantasies. But soon Jess’s lies begin to crumble, and the lovers discover that freedom comes with a deadly price.

E. H. Gombrich's Little History of the World, though written in 1935, has become one of the treasures of historical writing since its first publication in English in 2005. The Yale edition alone has now sold over half a million copies, and the book is available worldwide in almost thirty languages. Gombrich was of course the best-known art historian of his time, and his text suggests illustrations on every page. This illustrated edition of the Little History brings

together the pellucid humanity of his narrative with the images that may well have been in his mind's eye as he wrote the book. The two hundred illustrations—most of them in full color—are not simple embellishments, though they are beautiful. They emerge from the text, enrich the author's intention, and deepen the pleasure of reading this remarkable work. For this edition the text is reset in a spacious format, flowing around illustrations that range from paintings to line drawings, emblems, motifs, and symbols. The book incorporates freshly drawn maps, a revised preface, and a new index. Blending high-grade design, fine paper, and classic binding, this is both a sumptuous gift book and an enhanced edition of a timeless account of human history.

Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops.

Her blood sings to them; a melody no supernatural can ignore. From NYT bestselling author of, A TERRIBLE LOVE. THE BLOOD SERIES is a paranormal romance that chronicles the lives of supernatural human beings whose paranormal powers are dictated by blood, making them highly coveted by vampires, werewolves and fey. Blood is for readers who enjoy tight suspense, dark themes, and romantic tension.
