ResumePro

The Wars of the Roses, which tore apart the ruling Plantagenet family in fifteenth-century England, was truly a domestic drama, as fraught and intimate as any family feud before or since. But as acclaimed historian Sarah Gristwood reveals, while the events of this turbulent time are usually described in terms of the men who fought and died seeking

Roses the throne, a handful of powerful women would prove just as decisive as their kinfolks' clashing armies. A richly drawn, absorbing epic, *Blood Sisters* reveals how women helped to end the Wars of the Roses, paving the way for the Tudor age—and the creation of modern England.

During their childhood years in the Kenya Highlands of the 1950s, three girls from vastly different backgrounds become blood sisters, promising that nothing will ever destroy the bond between them. But as they grow up love rivalries, broken promises and

the tensions and violence of a newly independent Kenya threaten to tear their childhood dreams apart.

"First published in Great Britain by Penguin Books, an imprint of Penguin Random House UK"--Verso.

Blood Sisters tells the story of Jeong Yeoul, a young Korean college student in the 1980's, when the memory of President Chun Doo-hwan's violent suppression of student demonstrations against martial law was still fresh. Yideum captures with raw honesty the sense of dread

Read PDF Blood Sisters The Hidden Lives Of The Women Behind The Wars Of The

Reese felt by many Korean women during this time as Jeong struggles in a swirl of misguided desires and hopelessness against a society distorted by competing ideologies, sexual violence, and cultural conservatism. Facing this helplessness, her impulse is to escape into the world of art. Blood Sisters is a vivid, powerful portrayal of a woman's efforts to live an authentic life in the face of injustice.

Adapted for the STARZ original series, The White Princess. Love to the Death. When Henry Tudor picks up the crown of England from the

Roses
mud of Bosworth field, he knows he must marry the princess of the enemy house—Elizabeth of York—to unify a country divided by war for more than three decades. But his bride is still in love with his dead enemy, and her mother and half of England remain loyal to her brother, the missing York heir. Henry's greatest fear is that somewhere a prince is waiting to reclaim the throne. When a young man who would be king invades England, Elizabeth has to choose between the new husband she is coming to love and the boy who claims to be her lost brother: the rose of York come home at last. "A bloody

irresistible read." –People "Bring on the blood, sex, and tears!...You name it, it's all here." –USA TODAY

An "impeccably researched and beautifully written" biography of Lady Margaret Beaufort, matriarch of the Tudor dynasty (Tracy Borman, author of *The Private Lives of the Tudors* and *Elizabeth's Women*). In 1485, Henry VII became the first Tudor king of England. His victory owed much to his mother, Lady Margaret Beaufort. Over decades and across countries, Margaret had schemed to install her son on the throne and end the War of the Roses.

Read PDF Blood Sisters The Hidden Lives Of The Women Behind The Wars Of The

Margaret's extraordinarily close relationship with Henry, coupled with her role in political and ceremonial affairs, ensured that she was treated -- and behaved -- as a queen in all but name. Against a lavish backdrop of pageantry and ambition, court intrigue and war, historian Nicola Tallis illuminates how a dynamic, brilliant woman orchestrated the rise of the Tudors.

The century spanning the wars of the roses and the reigns of the Tudor kings was a volatile time of battle and bloodshed, execution and unexpected illness. Life could

Read PDF Blood Sisters The Hidden Lives Of The Women Behind The Wars Of The

be nasty, brutish and short. Some met their end in battle, others were dragged to the block, losing everything for daring to aspire to the throne. Some were lost in mysterious circumstances, like Edward V, the elder of the Princes in the Tower. But the majority of these young men died in their teens, on the brink of manhood. They represent the lost paths of history, the fascinating “what-ifs” of the houses of York and Tudor. They also diverted the route of dynastic inheritance, with all the complicated implications that could bring, passing power into some unlikely hands. This book examines ten such figures in

detail, using their lives to build a narrative of this savage century.

NEW YORK TIMES BESTSELLER • Bestselling historian Alison Weir tells the poignant, suspenseful and sometimes tragic story of Elizabeth, eldest daughter of the Yorkist King Edward IV and sister of the Princes in the Tower, a woman whose life was inextricably caught up in the turmoil of the Wars of the Roses and the establishment of the usurping Tudor dynasty. She was the wife of Henry VII and mother of Henry VIII. Many are familiar with the story of the much-

Read PDF Blood Sisters The Hidden Lives Of The Women Behind The Wars Of The

married King Henry VIII of England and the celebrated reign of his daughter, Elizabeth I. But it is often forgotten that the life of the first Tudor queen, Elizabeth of York, Henry's mother and Elizabeth's grandmother, spanned one of England's most dramatic and perilous periods. Now New York Times bestselling author and acclaimed historian Alison Weir presents the first modern biography of this extraordinary woman, whose very existence united the realm and ensured the survival of the Plantagenet bloodline. Her birth was greeted with as much pomp and ceremony as that of a male heir. The first

Read PDF Blood Sisters The Hidden Lives Of The Women Behind The Wars Of The

Roses child of King Edward IV, Elizabeth enjoyed all the glittering trappings of royalty. But after the death of her father; the disappearance and probable murder of her brothers—the Princes in the Tower; and the usurpation of the throne by her calculating uncle Richard III, Elizabeth found her world turned upside-down: She and her siblings were declared bastards. As Richard's wife, Anne Neville, was dying, there were murmurs that the king sought to marry his niece Elizabeth, knowing that most people believed her to be England's rightful queen. Weir addresses Elizabeth's possible role in this and her

Read PDF Blood Sisters The Hidden Lives Of The Women Behind The Wars Of The

Roses covert support for Henry Tudor, the exiled pretender who defeated Richard at the Battle of Bosworth and was crowned Henry VII, first sovereign of the House of Tudor. Elizabeth's subsequent marriage to Henry united the houses of York and Lancaster and signaled the end of the Wars of the Roses. For centuries historians have asserted that, as queen, she was kept under Henry's firm grasp, but Weir shows that Elizabeth proved to be a model consort—pious and generous—who enjoyed the confidence of her husband, exerted a tangible and beneficial influence, and was revered by her son, the future King Henry VIII. Drawing

Roses from a rich trove of historical records, Weir gives a long overdue and much-deserved look at this unforgettable princess whose line descends to today's British monarch—a woman who overcame tragedy and danger to become one of England's most beloved consorts. Praise for Elizabeth of York “Weir tells Elizabeth's story well. . . . She is a meticulous scholar. . . . Most important, Weir sincerely admires her subject, doing honor to an almost forgotten queen.”—The New York Times Book Review “In [Alison] Weir's skillful hands, Elizabeth of York returns to us, full-bodied and three-dimensional. This is a must-read

Read PDF Blood Sisters The Hidden Lives Of The Women Behind The Wars Of The

for Tudor fans!"—Historical Novels Review
"This bracing biography reveals a woman of integrity, who . . . helped [her husband] lay strong groundwork for the success of the new Tudor dynasty. As always in a Weir book, the tenor of the times is drawn with great color and authenticity."—Booklist "Weir once again demonstrates that she is an outstanding portrayer of the Tudor era, giving us a fully realized biography of a remarkable woman."—Huntington News
