The story of Emmett Till is a riveting, notorious murder case that gave birth to the modern-day civil rights movement, a story that continues to generate enormous interest from the general public and the media at large. This is a dynamic and explosive story of courage, determination, and faith, which gave rise to several award-winning documentaries and honorable mentions in several major motion pictures and television miniseries, such as the miniseries King, based on the life of Dr. Martin Luther King Jr.; the motion picture Mississippi Burning; as well as For Us the Living: The Medger Evers Story, The Rosa Parks Story, and the theatrical release of the film Ali, a story on the life of Muhammad Ali, just to name a few.

The original muscle car, the Royal Bobcat GTO was the baby of a burgeoning Detroit subculture, one not sanctioned by the big automakers of the early 1960s. In a post-World War II America hungry for chrome, flash and speed, Royal Pontiac in Royal Oak, Michigan, modified and sold its souped-up versions of GTOs to customers, and in the process created a demand for custom street racers in America. Founded by Ace Wilson, the Royal name became synonymous with speed. This book outlines the history of the Royal Bobcat GTO, from the people—including Milt Schornack, the mechanic who raced for

First published in 2004. The purpose of this reference work is to offer a range of materials covering the history of the East India Company during the two and a half centuries of its existence. Volume III provides primary materials on the vivid controversy that engulfed the Company at one of the most crucial moments in this transition, leading to the British government's first intervention in 1772-3 to reconstruct the Company's management both at home and in India. The controversy is examined through two publications, William Bolts' Considerations on India Affairs (1772) and Harry Verelst's A View of the Rise, Progress and Present State of the English Government in Bengal (1772).
