When Phyllis Currott, a high-powered Manhattan lawyer began exploring Witchcraft, she discovered a spiritual movement that defied all stereotypes. Encountering neither satanic rites nor eccentric spinsters, she came to embrace the reconstruction of Europe's indigenous spirituality; the religion of the Goddess. Book of Shadows chronicles Phyllis' introduction and initiation into Wicca, her ascension to the position of Wiccan High Priestess, and her efforts to reconcile her newfound spirituality with her struggles as a woman rising through the ranks of the corporate world. Along the way, she relates the history of Witchcraft and shares many traditional Wiccan practices. Engagingly written and rich with detailed rituals, spells, and techniques, this inspirational book traces a modern woman's spiritual journey into a realm of extraordinary experience and enlightenment.

Since Phyllis Currott first published Book of Shadows, the story of her spiritual journey and initiation as a High Priestess in the Wiccan community, Witchcraft has captured America's imagination as a theme for fiction, television shows, and films. Now America's highest-profile Witch returns to dispel more myths and misrepresentations of her faith, and to share a practical guide to the beautiful spiritual rituals and philosophies behind Wiccan tradition. Rich with enchanting stories from Currott's own experiences and detailed advice for creating potions, working with Nature, and finding the Divine within, Witch Crafting is much more than just another superficial recipe book. Currott's unique guidebook integrates the inspiration of religious wisdom with sound, practical information. Witch Crafting reveals how to: incorporate Wiccan practices into your daily life; master the secret arts of effective spell casting; create sacred space and personal rituals; perform divinations for insight and success; and tap the magical power of altered states, such as dreaming meditation, prayer, and trance. Perfect for beginners or seasoned practitioners, Witch Crafting is the ideal handbook for anyone seeking to unlock the divine power that makes real magic happen, and to experience the power and gifts of the universe more fully.

The author of Book of Shadows digs deep into the practices and principles of Witchcraft to provide a comprehensive guidebook that anyone—novices and seasoned practitioners alike—can use to incorporate the beauty and power of Wicca into their own daily lives. Phyllis Currott's first book, Book of Shadows, was an inspirational, spiritual memoir that chronicled her journey from Ivy League-educated, New York City attorney to Wiccan High Priestess. By inviting readers of all faiths to share in her own personal transformation, Phyllis debunked many of the myths surrounding Wicca and revealed it for what it really is: a spiritual movement whose tenets of Goddess worship and reverence for Nature were a great deal more accessible and familiar than she'd ever expected. Far from being just another mechanical spell book, Witch Crafting is the first book to offer readers not only the how-to of Witchcraft, but also the why-to, explaining the profound spiritual tenets behind Wiccan techniques. Filled with both traditional and innovative shamanic practices, Phyllis also provides an empowering new definition of magic and reexamines the ethics under which Witchcraft is practiced, offering a groundbreaking alternative to the Threefold Law. With enchanting stories from Currott's own experiences, Witch Crafting will also teach you how to:
• Master the secret arts of effective spellcasting
• Create sacred space and personal rituals
• Perform divinations for spiritual insight and earthly success
• Tap into the power of altered states, such as dreaming, meditation, prayer, and trance
• Keep a magical journal and create your own Book of Shadows Rich with detailed advice for making magic, working with Nature, and finding the Divine within, as well as thought-provoking evaluations of this remarkable spirituality, Witch Crafting is the special volume that you've been searching for. Whether you are a beginner or have been practicing Witchcraft for years, whether you worship in a coven or on your own, Witch Crafting is the ideal handbook for you, or anyone seeking to unlock the divine power that makes real magic happen and experience the ecstasy, energy, and gifts of the Universe more fully.
