Sweet and Deadly was the thrilling debut mystery from Charlaïne Harris, the #1 New York Times bestselling author of the Sookie Stackhouse novels, as well as the award-nominated Aurora Teagarden, Lily Bard, and Harper Connelly mysteries. This item is Non-Returnable.

Author of the books that inspired True Blood on HBO and Midnight, Texas on NBC Newspaper reporter Catherine Linton ignored her investigative instincts when her parents died in a mysterious car crash six months ago — grief obscuring the warning signs that something was amiss. But when she discovers the beaten body of her father's nurse on Linton property, Catherine quickly realizes her parents' death was no accident. Though the sleepy Southern town that Catherine's family has called home for generations still prickles with racial tension and decades-old classism, Catherine never expected that Lowfield, Mississippi, could harbor a murderer. Now, it seems everyone has a terrible secret. But how many people in Lowfield would kill to keep them hidden? Catherine finds herself both the sheriff's lead suspect and the killer's next target. With the help of her handsome editor, Randall, and her quirky fellow reporter, Tom, Catherine must untangle the dark roots of the murders and stop the killer who wears a neighbor's face. Sweet and Deadly is the thrilling stand-alone mystery debut from Charlaïne Harris, the #1 New York Times bestselling author of the Sookie Stackhouse vampire series, as well as the award-nominated Aurora Teagarden Series, Lily Bard Series, and Harper Connelly Series.

Nickie Callahan finds that the safety and security of her small, college-town in Tennessee is an illusion when the women of the town are stalked by a brutal rapist. Reprint.

Shakespeare, Arkansas, is a small Southern town with plenty of secrets, and Charlaïne Harris's Lily Bard, fresh from her acclaimed debut in Shakespeare's Landlord, is just one more of its residents — albeit one harboring a few secrets of her own — with a desire to live quietly. Lily keeps to herself, between her job as a cleaning woman for several townspeople and her visits to the gym, where she's a devotee of karate and bodybuilding. These two pursuits seem a bit odd for the petite Southern woman, but as work and play, they keep her focused and balanced. When a fellow gym member is found dead after a workout with a barbell across his throat, Lily wants to believe it's an accident. But looking at the incident against the background of other recent events in Shakespeare, including a few incidents that appear to be racially motivated, she's afraid it could be a part of something much, much bigger — and more sinister...in Shakespeare's Champion.

Before Charlaïne Harris created Sookie Stackhouse and Harper Connelly, she wowed mystery readers with her first published novels: Sweet and Deadly, “ set in a small town on the Mississippi Delta that Harris makes excitingly real ” (Publishers Weekly) and A Secret Rage, a “ powerful ” (Boston Globe) and “ extraordinary ” (Library Journal) story of a vicious crime and its aftermath. Now both novels are available in this set from the # 1 New York Times bestselling author. Sweet and Deadly A Secret Rage

When a vampire enlists the aid of cocktail waitress Sookie Stackhouse to use her telepathic talents to find a missing vampire in Dallas, she agrees to the deal if the vampires promise to behave and to let the humans go unharmed. Original.

Author of the books that inspired True Blood on HBO and Midnight, Texas on NBC Aurora Teagarden, small town librarian and true crime buff, is looking forward to the monthly meeting of the Real Murders Society, a group of fellow crime enthusiasts who share a unique interest in historical murders. The Society meetings are the highlight of Roe ' s social life in sleepy Lawrenceville, Georgia, and she ' s ready for a quiet night of discussion, coffee, and cookies. But after she finds the body of a Society member in a staged crime scene eerily similar to the one the group was supposed to discuss that very night, Roe finds herself at the center of a murderous story of her own. As the killer strikes again, it ' s obvious that members of the Real Murders Society have become targets of a knowledgeable copycat. With the help of handsome police detective Arthur Smith and the town ' s dashing new resident, mystery novelist Robin Crusoe, it ' s up to Roe to discover if the murderer is one of the group ' s own and to piece the perplexing puzzle together before another body appears. From #1 New York Times bestselling author Charlaine Harris, this first book in the Aurora Teagarden mystery series combines the excitement of solving the crime and the charm of Southern hospitality. Real Murders, A Bone to Pick, Three Bedrooms, One Corpse and the rest of the Aurora Teagarden mysteries have been adapted into film for Hallmark Movies & Mysteries.
