Reviewed in the  
United States on July  
20, 2014 Bought this  
washer in 2008 and it  
has been amazing  
and the water bill  
dropped as well as  
how quiet it is and  
the spin cycle gets  
most of the water out  
so you barely will  
have any drying time.  
I highly recommend  
this washer!
