Broken Soldier by Haley Travis is a fabulous book with a real Hero and Heroine. They are characters who are true to life. They have pain but it is not so debilitating that it cannot be lived with. I hate books where service people are deep into pain and depression and then magically are healed.

Broken Soldier is exceptional in its writing, this story almost felt real. Although there are dark elements to this story there are some beautiful lighter moments, i cannot stress how much i liked Connor and Shawn as a couple and i wish this book was longer. Read more. "Nothing in my army training had prepared me for what happened in Jerusalem in February 1965." In Chris McQuaid's stunning memoir, *Elegy for a Broken Soldier*, a traumatic event led to his Post-Traumatic Stress Disorder (PTSD). Music became the only respite that provides him solace. Chris was a member of the Irish Army guard of honour for the visit of US President John F. Kennedy to Dublin in June 1963. With the cheers of the crowds lining the presidential route still ringing in his ears, he felt "ten feet tall" as he prepared for his first UN

peacekeeping mission to the Congo. On a UN mission to Cyprus in 1965, trauma changed Chris's life forever, marking the beginning of his PTSD. In Lebanon in 1980, his life was threatened, and the shock effectively ended his military career. Neither event originated on the battlefield, but from within the Irish Army. Despite severe depression and suicidal thoughts, Chris continued his education and returned to the service to become a commissioned officer. He left the army in 1986 with a glowing service record. A long legal wrangle and a succession of psychiatric and psychological assessments have led to even greater health problems, but Chris has survived it all.

After waging a draining, unsuccessful war on the neighboring kingdom of Zylekkha, Tahlehsohr is a bubbling cauldron of unrest. The Zylekkhans, war weakened, are determined to get their vengeance and claim the life of the king of Tahlehsohr. Unfortunately for them, the murder of a king is no easy sport. Kirash, the centaur king of Zylekkha's right-hand man and a vampire, sits in the center of a precarious web of alliances as he struggles to topple the Tahlehson government: a gang of elven freedom fighters, an idealistic werewolf hoping to start a revolution, a self-centered but powerful magician, and an undead Tahlehson general who has no choice but to help them. Plagued at every turn by Tahlehson spies and bad luck, they're running

I am the Broken Soldier and I have been reborn into a whole new person. I live in a new world where no one to tries to get me to conform to manmade rules. I live in the freedom of my solitude with a hope of one day becoming completely whole again. For this Broken Soldier is always in need of repair and only God know what I will become one day.

Broken body, broken heart, all he needed was a woman who believed in him from the start...Physical therapy sucked. I hated every miserable minute of it. Until Molly appeared. The sweet, sexy goddess was just pushy enough to make me want to try harder. At everything. Being around her made it impossible to stay angry and bitter. Her infectious optimism made me need to care for her—including posing as a fake date at her sister's wedding. But the sparks flying between us weren't fake. And Molly's sweet curves in my arms weren't fake either. I needed everything she had to offer, wanted her. Wanted to deserve her. I vowed to straighten out my life. Vowed to win her heart. But when her caregiving nature pushes a little too far, it's a cruel reminder of how damaged I am. She deserves a man who is as cheerful as she is, not a brooding man with a cane in his hand, a chip on his shoulder, and a dark, hidden scar on his heart. How could a perfect woman like her love a broken soldier? ***An older man, younger woman standalone romance novella. If you love romance stories with a shy regular curvy girl, a hot alpha male, steamy love scenes and a sweet HEA, this story is just for you! (Safe, no cliffhangers, no cheating.) Please check the author page for the email list and website.

The Australian Defence Force prides itself on a longstanding tradition of Mateship, Courage, and Noble Sacrifice. The unfortunate truth is that when the war fighting stops it's not the enemy that you have to worry about - it's your own people.
