simple in this beautiful,  
flawed city where  
corruption abounds.

Helena discovers that  
there are multiple  
bidders for the painting,

explores the genesis of  
overtourism and the  
system dynamics  
underlining it. The  
'overtourism'  
phenomenon is defined  
as the excessive growth  
of visitors leading to  
overcrowding and the  
consequential suffering  
of residents, due to  
temporary and often

problematic. Moving beyond the 'top 10 things you can do about overtourism', this book examines the evolution of the phenomenon and explores the genesis of overtourism as well as the system dynamics underpinning it. With a rigorous scientific approach, the book uses systems-thinking and contemporary
