life in the German capital through the eyes of a newcomer, learn about the country and its people, and improve your German effortlessly along the way!

In the years between Germany's defeat in World War I and the reign of the Nazis, the underground clubs and cabarets of Berlin pulsed with the frenetic energy of rebellion. Suspended on the precipice of global catastrophe, a young counterculture emerged in the Weimar capital, where—if only for a moment—races and religions mixed, jazz music resounded, and liquor flowed in abundance. In Harold Nebenzal's daring, suspenseful novel *Café Berlin*, this high-flying scene forms the backdrop for a thrilling tale of love and the universal human yearning to be free, even under the yoke of totalitarianism. Daniel Saporta is a young Jewish immigrant from Damascus, who comes to Berlin in search of fame, fortune, or at least a good party. He begins a tumultuous love affair with Samira, an exotic dancer secretly under the employ of British Intelligence. When Samira uncovers a conspiracy involving Adolf Hitler and the Grand Mufti of Jerusalem, Daniel is drawn inexorably into an underground world of espionage, sex, and dire political stakes. Presented as a series of diary entries written years later, while Daniel is in hiding during the war, *Café Berlin* recounts his fleeting memory of the club and the German society now laid waste by the war. First published by Overlook to great acclaim in 1991, *Café Berlin* is available once again, offering an incredible story of decadence and defiance during Nazi Germany's rise to power.

German Short Stories for Beginners is written especially for students from beginner to intermediate level (A1-B1 on the Common European Framework of Reference). The eight

If you're learning German and enjoy reading, this is the book you need to rekindle your passion for the language and take your German to the next level!

A guide to the local haunts, historic sites, rich culture and renowned entertainments of Germany's capital city.

This was the collection with which Durcan broke through to the huge and appreciative audience he enjoys today. In the first part are poems of great satirical comedy and also of great passion and indignation, and in the second part, poems about the break-up of a marriage so intense they would hurt if they weren't also possessed of the healing gifts of truthfulness and humour. In *The Berlin Wall Café* Durcan has located that space between the walls and barriers societies and individuals erect - a no-man's-land of the free imagination where we meet as the vulnerable and comical human beings we are. It contains some of his very best

work.

It's easy to teach yourself German! Complete German provides you with a clear and comprehensive approach to German, so you can progress quickly from the basics to understanding, speaking, and writing German with confidence. Within each of the 25 thematic chapters, important language structures are introduced through life-like dialogues. You'll learn grammar in a gradual manner so you won't be overwhelmed by this tricky subject. Exercises accompany the texts and reinforce learning in listening, speaking, reading, and writing. This program also features current cultural information boxes that reflect recent changes in society. You can also visit teachyourself.com for tests, extension articles and a vibrant community of like-minded learners. And if you don't have much time, don't worry--this book gives you one-, five-, and 10-minute bites of learning to get you started.

The first English translation of a lost classic that reinvents the flaneur in Berlin. Franz Hessel (1880–1941), a German-born writer, grew up in Berlin, studied in Munich, and then lived in Paris, where he moved in artistic and literary circles. His relationship with the fashion journalist Helen Grund was the inspiration for Henri-Pierre Roche's novel *Jules et Jim* (made into a celebrated 1962 film by Francois Truffaut). In collaboration with Walter Benjamin, Hessel reinvented the Parisian figure of the flaneur. This 1929 book—here in its first English translation—offers Hessel's version of a flaneur in Berlin. In *Walking in Berlin*, Hessel captures the rhythm of Weimar-era Berlin, recording the seismic shifts in German culture. Nearly all of the essays take the form of a walk or outing, focusing on either a theme or part of the city, and

Download File PDF Cafe In Berlin

many end at a theater, cinema, or club. Hessel deftly weaves the past with the present, walking through the city's history as well as its neighborhoods. Even today, his walks in the city, from the Alexanderplatz to Kreuzberg, can guide would-be flaneurs. Walking in Berlin is a lost classic, known mainly because of Hessel's connection to Benjamin but now introduced to readers of English. Walking in Berlin was a central model for Benjamin's Arcades Project and remains a classic of "walking literature" that ranges from Surrealist perambulation to Situationist "psychogeography." This MIT Press edition includes the complete text in translation as well as Benjamin's essay on Walking in Berlin, originally written as a review of the book's original edition. "An absolutely epic book, a walking remembrance." —Walter Benjamin

Finalist, 2018 National Jewish Book Award for Modern Jewish Thought and Experience, presented by the Jewish Book Council A fascinating glimpse into the world of the coffeehouse and its role in shaping modern Jewish culture Unlike the synagogue, the house of study, the community center, or the Jewish deli, the café is rarely considered a Jewish space. Yet, coffeehouses profoundly influenced the creation of modern Jewish culture from the mid-nineteenth to mid-twentieth centuries. With roots stemming from the Ottoman Empire, the coffeehouse and its drinks gained increasing popularity in Europe. The "otherness," and the mix of the national and transnational characteristics of the coffeehouse perhaps explains why many of these cafés were owned by Jews, why Jews became their most devoted habitués, and how cafés acquired associations with Jewishness. Examining the convergence of cafés, their urban milieu, and Jewish creativity, Shachar M. Pinsker argues that cafés anchored a silk road

Download File PDF Cafe In Berlin

of modern Jewish culture. He uncovers a network of interconnected cafés that were central to the modern Jewish experience in a time of migration and urbanization, from Odessa, Warsaw, Vienna, and Berlin to New York City and Tel Aviv. *A Rich Brew* explores the Jewish culture created in these social spaces, drawing on a vivid collection of newspaper articles, memoirs, archival documents, photographs, caricatures, and artwork, as well as stories, novels, and poems in many languages set in cafés. Pinsker shows how Jewish modernity was born in the café, nourished, and sent out into the world by way of print, politics, literature, art, and theater. What was experienced and created in the space of the coffeehouse touched thousands who read, saw, and imbibed a modern culture that redefined what it meant to be a Jew in the world.

Captivating Short Stories to Improve Your German Vocabulary and Reading Skills! Are you an intermediate learner of German who wants to practise reading the language but finds that most of the learning material out there is too easy or too high-level for you?
