Called to Believe, Teach, and Confess offers an overview of the major doctrines of Christianity in a comprehensive, but accessible way. Written from a Lutheran perspective, this book is a helpful resource to those within that tradition and to others who seek a deeper theological understanding. Firmly rooted in Scripture, this book emphasizes the interrelatedness of all Christian teaching, with its central teaching being the doctrine of justification by grace through faith in Jesus Christ. This book is ideal as a text for university students and other educated Christian adults who seek to expand their

broader understanding of Christian teaching. Firmly rooted in Scripture, this book directs the reader back to the Bible. It emphasizes the interrelatedness of all Christian teachings, with its central teaching being the doctrine of justification by grace through faith in Jesus Christ. It also includes the text of the three ecumenical creeds accompanied by a brief introduction to their historical background. This book is ideal as an introductory text for university or advanced high school students and for other Christian adults who seek to expand their knowledge of God's revelation and its application in human lives. It introduces and uses classic theological vocabulary and terminology, while offering clear definitions and application. Key terms, study questions, and a glossary help make this a valuable resource. Called by the Gospel is the title for a series of introductory theological textbooks written from a distinctly Lutheran perspective. In keeping with the predominant place of the gospel in Lutheran theology, this introductory volume on the New Testament carries the same title as the series, Called by the Gospel. Readers will find within its pages a high view of the Christian Scriptures, explanation of keys texts with careful

attention to the historical and cultural contexts, particular focus on the presentation of Jesus by the various texts, and a conversational style that seeks to convey the message of the text for contemporary times. Although the book was written with university students in mind, any Christians who seek to deepen their grasp of the New Testament will find within its pages helpful and challenging insights. This book builds on material presented in the first volume of the series, Called to be God's People, and supplements its contents with maps, photos, suggested readings, discussion questions, and a glossary. Together these two volumes prepare the university student for an in-depth consideration of Christian doctrine in Called to Believe, Teach, and Confess. Michael P. Theology and its defense. Orthodox theology, grounded in the Scriptures, calls humanity to believe. This same theology must also be presented and defended to a world that has often not attended to its vital message. Collectively, these essays teach and defend the biblical theology articulated during the Reformation and still today. They address topics including the inspiration, canon, and interpretation of Scripture, Reformation era developments, classic and modern apologetics, and other topics. This helpful book, honoring Rod Rosenblatt, a notable theologian and apologist, is a welcome addition to the library of any thinking Christian.

The call to teach means different things to different people. This collection contends, however, that, at the very least,

Faithful work in the teaching vocation involves excellence, commitment, and community. Representing diverse disciplines and institutional perspectives from a Christian research university, the contributors present reflections based on personal experience, empirical data, and theoretical models. This wide-ranging collection offers insight, encouragement, and a challenge to teachers in all areas of Christian higher education. Building upon the legacy of thoughtful teaching at Baylor University while looking toward the future of higher education, this collection is framed for Christians who teach in higher education but who are also committed to research and graduate training.

This collection of essays lays the biblical, theological, and

Historical foundations for the call to teach, then explores how it is lived out today in educational institutions.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

More books have been written about Jesus than any other historical figure. Many of these books ask and answer

questions about Jesus. All That Jesus Asks allows him to do the asking and shows why getting the right answers will change your life. Covering nearly 300 questions recorded in the New Testament under twenty-six separate themes, All That Jesus Asks uncovers who Jesus is by examining what was important to him and what he wants us to believe. This unique and comprehensive look at the greatest figure in history will encourage and challenge readers.
