Calling Romeo - Kindle edition by Potter, Alexandra ...

Calling Romeo is a chicklit novel that focuses on strain relationships and finding a solution on how to secure your place under the sun. Although I had fun reading Juliet’s story, I thought her friend Trudy’s struggles being pregnant and being a single parent was more appealing and relatable.

Calling Romeo

Bored by her comfortable romantic relationship with Will, Juliet, a successful businesswoman, dreams of passion and excitement and finds herself drawn to a handsome rival from a competing advertising firm, embarking on a search for love that takes her from London, to Yorkshire, to Verona, Italy, and brings her into offbeat encounters with a variety of colorful characters. Original. 35,000 first printing.

Dreams come true in this hilarious, feel-good fairy tale about life, love, and dating literature’s most eligible bachelor! After a string of disastrous dates, Emily Albright decides she’s had it with modern-day love and would much rather curl up with Pride and Prejudice and spend her time with Mr. Darcy, the dashing, honorable, and passionate hero of Jane Austen’s classic. So when her best friend suggests a wild week of margaritas and men in Mexico with the girls, Emily abruptly flees to England on a guided tour of Jane Austen country. Instead. Far from inspiring romance, the company aboard the bus consists of a gaggle of little old ladies and one single man, Spike Hargreaves, a foul-tempered journalist writing an article on why the fictional Mr. Darcy has earned the title of Man Most Women Would Love to Date. The last thing Emily expects to find on her excursion is a broodingly handsome man striding across a field, his damp shirt clinging to his chest. But that’s exactly what happens when she comes face-to-face with none other than Mr. Darcy himself. Suddenly, every woman’s fantasy becomes one woman’s reality. . . . Praise for Me and Mr. Darcy: “...Unexpectedly charming. . . Me and Mr. Darcy offers a Pride and Prejudice – appropriate surprise. . . it turns out to be one of the wittier of this summer’s offerings, not to mention sharp and sad in its observations about what spinsterhood, identity and aging look like for women in 2007.” — Salon “[Me and Mr. Darcy] takes the reader on an extended daydream with an appropriately pleasant ending.” — The Indianapolis Star “Alexandra Potter’s clever comedy, an affectionate celebration of books and readers — and bookstores — might lead you to start browsing those travel websites yourself.” — The Times- Picayune “Pure candy for the imagination. . . Ms. Potter has worked literary magic with the creation of Me and Mr. Darcy.” — CoffeeTimeRomance.com “...Refreshing...” — Publishers Weekly

It all starts with a mysterious phone call from Louisa’s decorative antique phone. And that wouldn’t be so strange, except that the phone is unplugged, and has been for years. Frightened by the call and its message—and questioning her own sanity—Louisa listens as a somehow-familiar voice describes a lost family secret about Louisa’s grandfather and his daring involvement in resisting the Nazi scourge in his native Sweden during World War II. Piecing together each clue she can find, Louisa begins to see how her grandfather’s guilt and shame continues to haunt her own father, and the rest of her family, decades later, planting seeds of doubt that threaten to tear them all apart. Now desperate to know the full truth, despite the charming distractions of a boy with secrets of his own, Louisa becomes consumed with her discoveries, which she passes off to her parents as a school history project. Digging through old family albums and letters, she at last begins to see that the phone call was only the beginning, and that she is the one meant to be the messenger who can bring the truth of the past to light—before it’s too late for her family.

Take a journey with internationally acclaimed bestselling author Elizabeth Adler to one of the most sensuous places on earth—a place where lavender-filled fields meet an azure sky, where rosemary scents the air, and where love and intrigue are just around the corner. Franny Marten’s life is unraveling—after arranging to meet her boyfriend, Marcus Marks, for dinner, she finds his wife waiting for her instead. After the initial shock wears off, Franny finds she has more in common with Clare Marks than she could ever have imagined. And, amazingly, the women become fast friends. But even more surprises are in store for Franny Marten: She is unexpectedly offered an all-expenses-paid invitation to a reunion of her estranged family in Provence. And Clare decides to charge the trip to Marcus (for his sins) and come along. Franny knows very little about the French side of her family, but how stressful can meeting long-lost aunts and cousins be after what she and Clare have just gone through? Provence is everything Franny pictured, but nothing at all what she expected. There are dangerous family secrets buried deep in the lovely, lush landscape of Provence, and there’s also a person who will go to any lengths to keep Franny from uncovering them. Jake Bronson is an American with ties to the Marten family, and he seems to know more than he’s saying. He’s the most intriguing and compelling man Franny’s ever encountered, but there are treacherous currents surrounding him. And at the center of it all is the matriarch, Raffaella Marten, a woman with secrets going back decades. Her two sons have caused her both heartache and joy, but Franny may ultimately be the key to truly reuniting the Marten family—and putting to rest the shadows, scandals, and the rivalry of a dynasty. Evoking the lush descriptions of everything that is Provence, Elizabeth Adler casts an unforgettable spell as Invitation to Provence transports you to a truly magical place.

'I wish I could get a seat on the tube? I hadn't eaten that entire bag of Maltesers? I could meet a man whose hobbies include washing up and monogamy?? Heather Hamilton is always wishing for things. Not just big stuff - like world peace or for a date with Brad Pitt - but little, everyday wishes, made without thinking. With her luck, she knows they'll never come true? Until one day she buys some heather from a gypsy. Suddenly the bad hair days stop; a handsome American answers her ad for a housemate; and she starts seeing James - The Perfect Man who sends her flowers, excels in the bedroom, and isn't afraid to say 'I love you'? But are these wishes-come-true a blessing or a curse? And is there such a thing as too much foreplay?

In this "brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it" (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of All Your Perfects, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, It Ends with Us is "a glorious and touching read, a forever keeper. The kind of book that gets handed down" (USA TODAY).

Following a car accident that claims the life of her passenger, Marissa, June Parker stumbles upon a list that Marissa had written entitled "20 Things to Do By My 25th Birthday" and is compelled by both guilt and a sense of setting things right to complete the list for Marissa, struggling to fulfill a variety of different goals before the deadline while learning more about her own life in the process. Reprint. 20,000 first printing.

After a bad break up, doesn't every girl want the same things? * For her ex-boyfriend to stay single forever... * Or maybe emigrate, to a remote, uninhabited island? * Better still, that she'd never met him in the first place! But what if one of those wishes came true? Tess is heartbroken when Seb breaks up with her and can't help blaming herself. If only she'd done things differently. If only she could make right all her regrets... But she can't. It's over. She has to forget about him. Drunk and upset on New Year's Eve she wishes she'd never met him. But when she wakes up to discover this dream has come true, she realises she has a chance. To do it all over again. And to get it right this time...

Gone with the Wind is the story of Scarlett O’Hara, a spoiled Southern belle who uses her wits and her wiles to lift herself and her family out of the ashes left by Sherman’s March to the Sea during the American Civil War, only to learn the true meaning of love and friendship as she loses those who have become most dear to her. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

Split. After being inexplicably targeted by an evil intent on harming her at any cost, seventeen-year-old Nikki finds herself under the watchful guardianship of three mysterious young men who call themselves halflings. Sworn to defend her, misfits Mace, Raven, and Vine battle to keep Nikki safe while hiding their deepest secret—and the wings that come with. A growing attraction between Nikki and two of her protectors presents a whole other danger. While she risks a broken heart, Mace and Raven could lose everything, including their souls. As the mysteries behind the boys’ powers, as well as her role in a scientist’s dark plan, unfold, Nikki is faced with choices that will affect the future of an entire race of heavenly beings, as well as the precarious equilibrium of the earthly world.
