Filled with helpful checklists, charts, and suggestions for further reading, this practical, comprehensive, and multidisciplinary guide takes readers through the entire case-writing process, including skills for writing both teaching cases and research cases. This edition includes new discussions of students as case writers, and how to interpret and respond to reviews, as well as updated and expanded material on video, multimedia and Internet cases.

Written by one of the top professors at Northwestern's Kellogg School of Management, Mastering the Case Analysis offers a systematic approach to analyzing business cases typically given in MBA job interviews. An overdue and much-needed aid to support students' preparation for case interviews, this book introduces an integrative framework for analyzing business problems and offers a detailed overview of the essential methods and concepts used in case analysis.

After all the hard work on your application, you're finally in to business school. Now what? The acceptance letter is just the beginning of your MBA experience. Even before classes start, you'll face all kinds of new challenges: financing your degree, readjusting to homework, schmoozing recruiters. Now you can turn to this book, produced by Manhattan GMAT—one of the leading names in GMAT preparation—to ready you for the challenges you'll face as a newly-minted MBA candidate. Case Studies & Cocktails will be your go-to guide as you prepare to enter your MBA program and throughout your time at b-school. The authors—MBAs themselves—have drawn on their own experiences and interviewed current students for the inside scoop on every aspect of b-school, from telling the boss you're going back to school to balancing wine and cheese in one hand while networking. The result is both a handbook for the social side of school and an academic primer on the material you'll have to master. The book even includes a glossary of need-to-know jargon, so you won't feel lost when classmates start slinging around acronyms.

The inside information that marketers and social media practitioners have been dying to get their hands on... It seems like every day another self-appointed social media "guru" appears on the scene, offering to sell you his or her "surefire" cure for what ails you. Don't you think it's time you heard from the real experts—i.e., folks like you who are responsible for delivering their companies' social media strategies? Based on extensive interviews with marketing, media and networking professionals at many of today's most admired brands and companies, The Social Media MBA in Practice provides you with detailed examples of the social media strategies in place at ADP, Allianz, Barclaycard, Cisco, Confused.com, Dell, Electrolux, F5, Getty Images, giffgaff, Go-Ahead Group, HCL, Hobart, Honda, Israel Foreign Office, LivingSocial, Macmillan, Nationwide, NHL Minnesota Wild, Nokia, Play.com, PwC, Rentokil, Sony Mobile and Xerox. This book offers: The most comprehensive set of "blueprints" available in one book for delivering social media strategies more successfully. Includes in-depth case studies packed with hand-on advice that you can put to work in your company immediately. Covers all-important strategic social media activities - from improving relationships with customers to generating more sales, product testing to team building.

A new edition of the most popular book of project management case studies, expanded to include more than 100 cases plus a "super case" on the Iridium Project. Case studies are an important part of project management education and training. This Fourth Edition of Harold Kerzner's Project Management Case Studies features a number of new cases covering value measurement in project management. Also included is the well-received "super case," which covers all aspects of project management and may be used as a capstone for a course. This new edition: Contains 100-plus case studies drawn from real companies to illustrate both successful and poor implementation of project management. Represents a wide range of industries, including medical and pharmaceutical, aerospace, manufacturing, automotive, finance and banking, and telecommunications. Covers cutting-edge areas of construction and international project management plus a "super case" on the Iridium Project, covering all aspects of project management. Follows and supports preparation for the Project Management Professional (PMP®) Certification Exam. Project Management Case Studies, Fourth Edition is a valuable resource for students, as well as practicing engineers and managers, and can be used on its own or with the new Eleventh Edition of Harold Kerzner's landmark reference, Project Management: A Systems Approach to Planning, Scheduling, and Controlling. (PMP and Project Management Professional are registered marks of the Project Management Institute, Inc.)

The guide all MBAs and executive education students need. If you're enrolled in an MBA or executive education program, you've probably encountered a powerful learning tool: the business case. But if you're like many people, you may find interpreting and writing about cases mystifying and time-consuming. In *The Case Study Handbook, Revised Edition*, William Ellet presents a potent new approach for efficiently analyzing, discussing, and writing about cases. Early chapters show how to classify cases according to the analytical task they require (making a decision, performing an evaluation, or diagnosing a problem) and quickly establish a base of knowledge about a case. Strategies and templates, in addition to several sample Harvard Business School cases, help you apply the author's framework. Later in the book, Ellet shows how to write persuasive case-analytical essays based on the process laid out earlier. Examples of effective writing further reinforce the methods. The book also includes a chapter on how to talk about cases more effectively in class. Any current or prospective MBA or executive education student needs this guide.

Managers and supervisors will sharpen their analytical and decision-making skills with this new collection of fully reproducible case studies. Based on actual, real-life situations, these exercises prepare supervisors and team leaders for the challenging problems they face in today's complex workplace. Each case study includes: Summary of the case; Discussion questions which evoke thought and analysis; Suggested solutions to the problems presented. Training Objectives: Improve participant's listening skills; Empower employees to negotiate; solutions fairly; Provide opportunities for participants to practice new skills in a supportive environment; Illustrate the skills needed to respond productively to complex issues. Activities Cover: Performance appraisal; Managing effectively; Sexual harassment/discrimination; Managing disruptive employees; Coaching/counseling employees; Hiring the right person

The book provides conceptual inputs and offers several case studies covering the entire gamut of the study of Human Resource Development (HRD) catering to the requirement of managers and students of business schools. A serious attempt has been made to cov
