Proverbs 15:17 "Better [is] a dinner of herbs where love is, than a stalled ox and hatred therewith." This is telling us again, that pleasant company is far more important at a meal than the food on the table. A dinner of herbs or vegetables is the typical dinner of the poor. The ox is speaking of some fairly expensive meat.

Language is a sophisticated tool which we use to communicate in a multitude of ways. Updated and expanded in its second edition, this book introduces language and linguistics - presenting language in all its amazing complexity while systematically guiding you through the basics. The reader will emerge with an appreciation of the diversity of the world's languages, as well as a deeper understanding of the structure of human language, the ways it is used, and its broader social and cultural context. Part I is devoted to the nuts and bolts of language study - speech sounds, sound patterns, sentence structure, and meaning - and includes chapters dedicated to the functional aspects of language: discourse, prosody, pragmatics, and language contact. The fourteen language profiles included in Part II reveal the world's linguistic variety while expanding on the similarities and differences between languages. Using knowledge gained from Part I, the reader can explore how language functions when speakers use it in daily interaction. With a step-by-step approach that is reinforced with well-chosen illustrations, case studies, and study questions, readers will gain understanding and analytical skills that will only enrich their ongoing study of language and linguistics.

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

April Corrigan's life is turned upside-down when she when she learns that her father has been working secretly undercover for the FBI. When his testimony convicts a notorious drug dealer, the whole family must relocate and enter the Federal Witness Security Program. April's entire way of life changes--not just her name. And when she attempts to communicate with her boyfriend, an agent is killed. With thrills, chills, and a high-speed cross-country chase, master suspense writer Lois Duncan will leave readers breathless!

A powerfully moving novel from a three-time Newbery Honor-winning author Evie Thomas is not who she used to be. Once she had a best friend, a happy home and a loving grandmother living nearby. Once her name was Toswiah. Now, everything is different. Her family has been forced to move to a new place and change their identities. But that's not all that has changed. Her once lively father has become depressed and quiet. Her mother leaves teaching behind and clings to a new-found religion. Her only sister is making secret plans to leave. And Evie, struggling to find her way in a new city where kids aren't friendly and the terrain is as unfamiliar as her name, wonders who she is. Jacqueline Woodson weaves a fascinating portrait of a thoughtful young girl's coming of age in a world turned upside down A National Book Award Finalist

Celebrate the thirtieth anniversary of the Newbery Honor-winning survival novel Hatchet with a pocket-sized edition perfect for travelers to take along on their own adventures. This special anniversary edition includes a new introduction and commentary by author Gary Paulsen, pen-and-ink illustrations by Drew Willis, and a water resistant cover. Hatchet has also been nominated as one of America's best-loved novels by PBS's The Great American Read. Thirteen-year-old Brian Robeson, haunted by his secret knowledge of his mother's infidelity, is traveling by single-engine plane to visit his father for the first time since the divorce. When the plane crashes, killing the pilot, the sole survivor is Brian. He is alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother had given him as a present. At first consumed by despair and self-pity, Brian slowly learns survival skills—how to make a shelter for himself, how to hunt and fish and forage for food, how to make a fire—and even finds the courage to start over from scratch when a tornado ravages his campsite. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new patience and maturity, and a greater understanding of himself and his parents.

Offers study tips and tools to help students gain a better understanding of course material. The Eighth Edition includes study flashcards for further practice.

This new edition continues the story of psychology with added research and enhanced content from the most dynamic areas of the field--cognition, gender and diversity studies, neuroscience and more, while at the same time using the most effective teaching approaches and learning tools.
