The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Merriam Press Aviation History 4. First Edition (2014). Inducted in 1942, Johnson went through pilot training, followed by airborne operations flight training with the 27th Troop Carrier Squadron, 10th Troop Carrier Group. Assignment to the 49th Troop Carrier Squadron, 313th Troop Carrier Wing, for training in Sicily in late 1943 came next. Assigned to the 36th Troop Carrier Squadron, 316th Troop Carrier Group, in November 1943, for training for the Normandy D-Day invasion, followed by support for the invasion and Allied advance across Europe during the summer of 1944. Also during this period, he trained for Operation Market Garden, as part of the armada that dropped the 82nd Airborne Division. His C-47 was shot down during this mission and he became a POW. In addition to detailing his life as a POW, from capture and interrogation to life in Stalag Luft 1A, through liberation, Johnson includes details of what it was like back home for his family, particularly after he was listed as Missing in Action after being shot down, including his parents' efforts at trying to get more details from politicians, the Army and members of his unit in England. A detailed personal account by a C-47 pilot who flew Un-Armed, Un-Armored and Un-Escorted over the skies of Europe, delivering men and materiel where it was needed to defeat the enemy. 35 photos and documents

Although many Civil War reference books exist, Civil War researchers have until now had no single compendium to consult on important details about the combatant states (and territories). This crucial reference work, the sixth in the States at War series, provides vital information on the organization, activities, economies, demographics, and laws of Civil War South Carolina. This volume also includes the Confederate States Chronology. Miller enlists multiple sources, including the statutes, Journals of Congress, departmental reports, general orders from Richmond and state legislatures, and others, to illustrate the rise and fall of the Confederacy. In chronological order, he presents the national laws intended to harness its manpower and resources for war, the harsh realities of foreign diplomacy, the blockade, and the costs of states' rights governance, along with mounting dissent; the effects of massive debt financing, inflation, and loss of credit; and a growing raggedness within the ranks of its army. The chronology provides a factual framework for one of history's greatest ironies: in the end, the war to preserve slavery could not be won while 35 percent of the population was enslaved.

An instant #1 New York Times Bestseller and a USA Today and Indie Bestseller! The Stormlight Archive saga continues in *Rhythm of War*, the eagerly awaited sequel to Brandon Sanderson's #1 New York Times bestselling *Oathbringer*, from an epic fantasy writer at the top of his game. After forming a coalition of human resistance against the enemy invasion, Dalinar Kholin and his Knights Radiant have spent a year fighting a protracted, brutal war. Neither side has gained an advantage, and the threat of a betrayal by Dalinar's crafty ally Taravangian looms over every strategic move. Now, as new technological discoveries by Navani Kholin's scholars begin to change the face of the war, the enemy prepares a bold and dangerous operation. The arms race that follows will challenge the very core of the Radiant ideals, and potentially reveal the secrets of the ancient tower that was once the heart of their strength. At the same time that Kaladin Stormblessed must come to grips with his changing role within the Knights Radiant, his Windrunners face their own problem: As more and more deadly enemy Fused awaken to wage war, no more honorspren are willing to bond with humans to increase the number of Radiants. Adolin and Shallan must lead the coalition's envoy to the honorspren stronghold of Lasting Integrity and either convince the spren to join the cause against the evil god Odium, or personally face the storm of failure.
